UPDATE

- Building access for students

Faculty need to remind students that they can only be in the building during their studio times on Monday Wednesday Friday

- Classroom technology status (111, 112, 121, 233) (Andrew)

All set up and working

If something isn't working we need to send a note to Pat

111 works, confirmed

All others are also working

121 works, but not a 100% zoom equipped

- Software available in student lab (Andrew)

Adobe is not working, only Revit is running

Adobe will probably start working next week

- B.Arch and M.Arch recommendations

Recommendations were made to the Dean based on faculty review

NEW BUSINESS

All three days are wellness days

Dean's Council Meeting decided to have "Wellness/Mental Health" days for students (2/26, 3/12?, 3/26?) . Faculty is available that day, but lecture courses are not taught, no new material is not distributed. School is going to support that.

9 arch programs across the country are doing the same.

Carrier fair: only for 4,5, and grad years, but first, second, and third year can also participate.

- Faculty Senate report (Craig)

Planning for next fiscal year

3.5 year revisions (Ron)

At State legislature sessions, the bill the students are trying to pass is : they will be able to videotape the lectures. Faculty was against. Provost was mutual. Copy right issues, etc..

- Tenure positions advertised until March 18

3 tenure track positions are advertised. On FAMU website

Craig is the head of the search committee
Eng Tech is searching for director position

-Internal Control Survey (return by Tues. Feb 23 COB)
Was sent via email to faculty
Faculty needs to send feedback by Feb 23

REMINDERS

-Career Fair on Feb 26 all day for 4th, 5th and grad (early afternoon presentations for 1st, 2nd, 3rd year)
-No spring break
