3. Articulation agreements:

List the number of articulation agreements the program has in place with any of the following institutions.

Community colleges:	10
Colleges or universities granting B.A. or B.S. pre-professional degrees:	0
Colleges or universities granting B.Arch. degrees:	0
Other:	0

4. Education level prior to entering program:

What percentage of all new students enrolled in the program as of Sept. 1 were admitted with the following academic background? Record highest level achieved only.

High school diploma or equivalent:	75
Associate's degree:	25
Pre-professional bachelor's degree in architecture:	0

Bachelor's degree in a field other than architecture:	0
Bachelor of Architecture (B.Arch.) -- for M.Arch. or D.Arch. programs:	0
Master's degree in a field other than architecture -- for M.Arch. or D.Arch. programs:	0
Other:	0

SECTION 4: INSTRUCTIONAL FACULTY

2023 Annual Report (Bachelor of Architecture) : Annual Report : SECTION 4: INSTRUCTIONAL FACULTY

To complete this section, please review the data below and update the information as needed. Definitions of data terms in NAAB's Annual Report are based primarily on definitions found in the glossary of the IPEDS most recent data collection system, available online at <https://surveys.nces.ed.gov/ipeds/public/glossary>. Undergraduate programs should refer to their institution's IPEDS submission for the prior academic year (September 1 -- August 31) in preparing this report.

1. Number of full-time instructional faculty that teach in the professional degree program as of the most recent complete academic year:

14

2. Percent of instructional faculty shared between the B.Arch. and M.Arch. programs:

Full-time faculty:	77 %
---------------------------	------

Part-time faculty:	23 %
---------------------------	------

3. How many full-time instructional faculty have earned the credential listed below as their highest degree?

Doctor of Architecture (D.Arch.)	0
Master of Architecture (M.Arch.)	9
Bachelor of Architecture (B.Arch.)	0
Ph.D./Doctorate in architecture	3
M.S. or M.A. in architecture	1
B.S./B.A. in a pre-professional degree in architecture	0
Doctoral degree in another field	3
Master's degree in another field	0
Baccalaureate degree in another field	0
Other degree type	0

4. Number of part-time/adjunct instructional faculty that teach in the professional degree program as of the most recent complete academic year:

2

5. How many part-time/adjunct faculty have earned the credential listed below as their highest degree?:

Doctor of Architecture (D.Arch.)	0
Master of Architecture (M.Arch.)	0
Bachelor of Architecture (B.Arch.)	0
Ph.D./Doctorate in architecture	1
M.S./M.A. in architecture	0
B.S./B.A. in a pre-professional degree in architecture	0
Doctoral degree in another field	1

2023 Annual Report (Bachelor of Architecture) : Annual Report : SECTION 7: MAINTENANCE OF ACCREDITATION

Programs are required to maintain ongoing compliance with the NAAB 2020 Conditions for Accreditation. Programs need to report on any changes in the following areas that impact the program's ability to demonstrate on-going compliance. For each of the following resource areas, the program needs to indicate any significant and material changes that would impact its on-going compliance with the 2020 NAAB Conditions. Programs should note if they are addressing non-compliance in any of the following areas in a Plan to Correct but do not need to repeat documentation of progress that will be detailed in the Plan to Correct.

A: Program and Student Outcomes

Select the option that best describes whether or not the program has significant and material changes to program and student learning outcomes and/or to its ability to achieve its stated outcomes.

- The program HAS significant and material changes to program and student learning outcomes and/or to its ability to achieve its stated outcomes.
- The program has NO significant and material changes in this area.

Please note any **significant and material** changes to program and student learning outcomes (established as part of Condition 3: Program and Student Criteria). If no such changes occurred, please mark "no changes."

B: Curriculum Development and Faculty Resources

Select the option that best describes whether or not the program has significant or material changes to its process for assessing its curriculum and making adjustments based on the outcome of the assessment.

- The program has significant or material changes to the program's process for assessing its curriculum and making adjustments based on the outcome of the assessment.
- The program has NO significant or material changes in this area.

Please note any **significant and material** changes to the program's process for assessing its curriculum and making adjustments based on the outcome of the assessment. If no such changes occurred, please mark no changes.

- The relationship between course assessment and curricular development, including NAAB program and student criteria.
- The roles and responsibilities of the personnel and committees involved in setting curricular agendas

and initiatives, including the curriculum committee, program coordinators, and department chairs or directors.

C: Architect Licensing Advisor

Name(s):	Olivier Chamel, AIA
Date of last NCARB licensing advisor summit each advisor(s) attended:	Summer 2023

If a program uses more than one architect licensing advisor, include each advisor.

D: Student Support Services

Select the option that best describes whether or not the program has significant or material changes to support services available to students in the program.

- The program has significant or material changes to support services available to students in the program.
- The program has NO significant or material changes to support services available to students in the program.

*Please note any **significant and material** changes to support services available to students in the program, including but not limited to academic and personal advising, mental well-being, career guidance, internship, and job placement. If no such changes occurred, please mark no changes.*

E: Physical Resources

Select the option that best describes whether or not the program has significant and material changes to the program's physical resources and its ability to safely and equitably support the program's pedagogical approach and student and faculty achievement.

- The program has significant and material changes to the program's physical resources and its ability to safely and equitably support the program's pedagogical approach and student and faculty achievement.
- The program has NO significant or material changes in this area.

*Please note any **significant and material** changes to the program's physical resources and its ability to safely and equitably support the program's pedagogical approach and student and faculty achievement. If no such changes occurred, please mark no changes. These changes include any of the following:*

- *Space to support and encourage studio-based learning.*
- *Space to support and encourage didactic and interactive learning, including lecture halls, seminar spaces, small group study rooms, labs, shops, and equipment.*
- *Space to support and encourage the full range of faculty roles and responsibilities, including preparation for teaching, research, mentoring, and student advising.*
- *Resources to support all learning formats and pedagogies in use by the program.*

E1. Describe any significant and material changes to the program's physical resources and its ability to safely and equitably support the program's pedagogical approach and student and faculty achievement.

The design studio renovations support interactive engagement between students and increased digital presentations. The lecture room renovations support online learning, digital presentations by students and faculty, and online guest speakers.

F: Financial Resources

Select the choice that best describes whether or not the program has significant and material changes to the program's institutional support and financial resources that would impact the program's ability to support student learning and achievement during the next term of accreditation.

- The program has significant and material changes to the program's institutional support and financial resources that would impact the program's ability to support student learning and achievement during the next term of accreditation.
- The program has NO significant and material changes in this area.

Please note any **significant and material** changes to the program's institutional support and financial resources that would impact the program's ability to support student learning and achievement during the next term of accreditation. If no such changes occurred, please mark no changes.

G: Information Resources

Select the choice that best describes whether or not the program has significant and material changes to its ability to ensure that all students, faculty, and staff have convenient and equitable access to information resources.

- The program has significant and material changes to its ability to ensure that all students, faculty, and staff have convenient and equitable access to information resources.
- The program has NO significant and material changes in this area.

Please note any **significant and material** changes to the program's ability to ensure that all students, faculty, and staff have convenient and equitable access to the following. If no such changes occurred, please mark no changes.

- Architecture literature and information, as well as appropriate visual and digital resources that support professional education in architecture.
- Architecture librarians and visual resource professionals who provide discipline-relevant information services that support teaching and research.

SECTION 8: SUBSTANTIVE CHANGES

2023 Annual Report (Bachelor of Architecture) : Annual Report : SECTION 8: SUBSTANTIVE CHANGES

--

1. Substantive Change

Indicate below whether the program has had a substantive change in any of the following areas during the past year. If so, provide the status of each change approval request: If the program has not had a substantive change in any of these areas, check "Does not apply -- no change." As a reminder, Substantive changes must be reviewed by NAAB **before implementation** by the program or institution. Substantive changes requiring review and the process for applying for approval of those changes is described in the [2020 Procedures](#).

Type	Status	Date of Submission	Date of NAAB Decision	Date of Implementation
Changes to the curriculum of an existing program or track for completing the program that affects the admissions requirements of the program (e.g., shifting from a single-institution M. Arch. to an M. Arch. that requires an undergraduate degree for admission).	Does not apply -- no change			

<p>Changes to the curriculum that effectively split an accredited single-institution program into a multidegree sequence that concludes with an accredited graduate degree and that may require an undergraduate degree for admission (e.g., changing from a B.
