## ARCHITECTURAL INTERN

E ezeziel.blount@fam.u.edu  
P +1 (850) 557 - 4268  
L Tallahassee, FL

### PROFESSIONAL PROFILE

An ambitious first-year master's architecture scholar, I view architecture as a powerful language—one that shapes not only the built environment but also the way we live and interact. My designs are transformative, intentional, and rooted in a deep understanding of human experience, context, and innovation. Through architecture, I strive to challenge conventions and aim to create meaningful spaces.

### EDUCATION

**Florida A&M University**  
Tallahassee, FL  
Master of Architecture  
Present

**Florida A&M University**  
Tallahassee, FL  
B.S. in Architectural Studies  
Summa Cum Laude  
May 2024

**Chipola College**  
Marianna, FL  
Associate of Arts  
Cum Laude  
May 2021

### SKILLS

- Revit
- Rhino
- AutoCAD
- Enscape
- Grasshopper Software
- Python Software
- Adobe Illustrator, Indesign, & Photoshop
- Art: Acrylic, watercolor, Pencil, Pen & Ink, Pastels
- Video/Photo Formatting & Editing

### WORK EXPERIENCE

**Graduate Research Assistant - Digital Heritage & VR**  
Florida A&M University, SAET | Tallahassee, FL | August 2024 - Present

- Collaborate with faculty and peers on a grant-funded research project.
- Scan physical objects and test model/area targets for virtual integration.
- Utilize Vuforia and Unity to develop an interactive VR experience.
- Assist in designing a digital exhibit for a project in historic site preservation.

#### Architecture Intern

DAG Architects | Tallahassee, FL | May 2024 - August 2024

- Created visual graphics for project presentations.
- Contributed to schematic design for downtown Tallahassee's capital infrastructure relocation.
- Observed active construction sites to understand real-world project execution.

#### Campus Tour Guide

Florida A&M University | Tallahassee, FL | Aug 2023 - Dec 2024

- Led campus tours for prospective students, sharing insights and experiences.
- Provided guidance on university services and campus resources.

#### Architecture Intern

Donofro Architects | Marianna, FL | May 2022 - August 2023

- Reviewed ongoing projects during plan revisions and construction.
- Assisted the Senior Architect in defining project scope and requirements.
- Drafted technical drawings for new and existing projects.

### AFFILIATION

- The Godfather Chapter of Progressive Black Men, Inc.
- Tau Sigma Delta, Architecture Honor Society
- Alpha Kappa Mu Honor Society

## EDUCATION

### MASTER OF ARCHITECTURE

*Florida Agricultural and Mechanical University, In progress*

Completing thesis, "Breaking Barriers: Bridging the divide between sustainability, affordability, and innovation in housing"

### BACHELOR OF ARCHITECTURAL STUDIES

*Florida Agricultural and Mechanical University, May 2023*

Graduated Summa Cum Laude with a 3.7 GPA.

## WORK

### ARCHITECTURAL INTERN

*SmithGroup, May 2023 - August 2023; May 2024 - August 2024*

Had the opportunity to help out with various projects, learn skills in sustainability, and utilize **LEED Online**, **Bluebeam Revu**, **Affinity Photo**, **Affinity Designer**, **SketchUp**, **Rhinoceros**, **Autodesk Revit**, and **Adobe Photoshop**.

### GRADUATE RESEARCH ASSISTANT

*FAMU Research and Educational Program, September 2023 - May 2024*

Worked on understanding the basics of **Python scripting** to be able to read and write **Rhino Script Syntax**. Intended to increase computer programming literacy in Architecture and expose students to a currently under-utilized digital drawing tool.

### RESEARCH ASSISTANT

*FAMU World Class Scholar, May 2022 - May 2023*

Worked with the FAMU School of Architecture and the National Trust for Historic Preservation. Spent time learning how to make **3D point clouds** and **3D laser scanning** the FAMU Sunshine Manor Building and the FAMU Lucy Moten Building.

## MENTORSHIP

### HBCU MENTOR

*Equity in Architectural Educational Consortium (EAEC) Stacked Mentorship Program, March 2022 - May 2024*

Partnered with the University of Michigan to mentor high schoolers in Detroit. Met with the students weekly to discuss their interests and aid their process in deciding what college and major to pursue. Provided them with insight on what it is like to attend an Historically Black College/University.

## SKILLS

- Microsoft Office
- AI Prompt Engineering
- Revit
- Enscape (Digital Rendering)
- Adobe Illustrator
- Adobe Photoshop
- Adobe InDesign
- Model Making
- FormIt
- Sketching
- Hand Drafting
- Rhino
- Python

## EDUCATION

**Master's of Architecture**  
 Florida Agriculture & Mechanical University / Tallahassee, FL / 2026  
*\*Expected May 2026\**

**Bachelor of Science in Architectural Studies**  
 Florida Agriculture & Mechanical University / Tallahassee, FL / 2024  
*Summa Cum Laude May 2024*

**Associate of Arts**  
 Tallahassee Community College / Tallahassee, FL / 2020  
*Summa Cum Laude May 2020*

## INTERNSHIP EXPERIENCE

- AECOM** / Detroit, MI / June 2024 - Aug 2024
  - Spearheaded two architectural projects from start to finish
  - Led client meetings, fostering strong relationships and clear communication
  - Facilitated community engagement workshops to integrate stakeholder feedback
  - Developed experience in landscape architecture and interior architecture
- Northrop Grumman Research and Education Program (FAMU-FSU)**  
 Tallahassee, FL / Oct 2023 - Dec 2023
  - Engaged in a research program advancing computational design using Python within Rhino
  - Earned certification in "Grasshopper and Rhino: Python Scripting" for parametric modeling
  - Applied Python scripting to develop and present a dynamic architectural design solution
- 3D Architectural Solutions, LLC** / Estero, FL / June 2023 - Aug 2023
  - Collaborated under CEO mentorship on AI prompt engineering and configuration
  - Contributed to the development of an AI-based architectural image generator for the company's website
- Apexx Architecture, LLC** / Tallahassee, FL / May 2023
  - Partnered with CEO Maxim Nasab to drive strategic website enhancements
  - Managed and updated project descriptions, contact information, recognitions, and executive profiles to ensure a polished and professional online presence

## ORGANIZATIONS

## WORK EXPERIENCE

### Graduate Teacher's Assistant

Florida A&M University | August 2024 - Present

- Co-led Rhino-based classes, assisting students with drawings, 3D modeling, and troubleshooting. Currently supporting a class integrating Rhino, SketchUp, and Adobe Suite.

### Design Intern

ZGF Architects | May 2024 - August 2024

- Assisted in multiple projects by creating models, graphics, and presentations. Operated laser cutters and crafted models. Developed design principles on Miro to bring projects to life. Gained insights into building systems through site visits and OAC meetings.

### Design Intern

IKM Architecture | August 2023 - November 2023

- Assisted with graphics, design planning, and organization across multiple projects. Learned Bluebeam Revu and operated a 3D printer. Participated in site visits, contractor meetings, and co-led an AXP tour and presentation.

## EDUCATION

### Florida A&M University

B.S. Architectural Studies | Fall 2019 - Spring 2023

M.S. Architecture | Fall 2023 - Present

## INVOLVEMENT

### Southern Scholarship Foundation | FL Retail House | Spring 2024 - Present

- House Cleaning Supervisor 1 (Fall 2024): Ensured the scholarship house remained tidy and residents completed duties promptly, serving as second-in-command to the House Manager.

## SKILLS

- Adobe Suite
- Rhino 8
- Autodesk Revit
- Enscape
- Drafting
- Model Making

## INTERESTS

- Painting
- Yoga
- Reading
- Photography (Leisure)

# ANTHONY FREEMAN

---

Orlando, FL

Anthonyfree2020@gmail.com | (407) 398-4678

I am from Orlando, FL and a current 5th year student at Florida A & M University studying Architecture. I found my passion in architecture when I was young and pursued this dream ever since by attaining any bit of knowledge I could, speaking with professionals and maximizing any experience I could receive in the field. I enjoy working with others, and critical thinking while working and dispensing out quality work. It is my dream to attain my architecture license and be able to start my own practice and firm and develop new ways of thinking and completing architectural works in communities.

## SKILLS

---

- Collaborative work
- Leadership
- Computer knowledge
- Adaptability
- Critical Thinking
- Autodesk Knowledge
- Adobe
- Problem Solving

## HOBBIES

---

- Model building
- Fishing
- Woodworking
- Watching sports

## ACHIEVEMENTS

---

### Eagle Scout/Order of the Arrow (11 years/6 years)

- As a Boy Scout I have learned many life skills and utilize many everyday, but I have also completed a service project for my community which involved building a gazebo for my home church and their K-8 school.
- I have also been inducted into the Boy Scouts honor society known as the Order of the Arrow which specializes in continued service to our communities even outside our time spent with the organization

### MLK Humanitarian

- I was picked in grade school to serve as my school's Humanitarian for a year after displaying a care for other and willingness to help by serving in my community and being an example by those who followed me.

## WORK EXPERIENCE & EDUCATION

---

### • Dr. Phillips High School/Orange Technical College

Class of 2020, Dual enrolled in Drafting program from 2018-2020

### • Florida A & M University (2020-Present)

B.S. in Architecture Spring 2024

Obtaining M. Arch Degree Spring 2026

### • Rhodes+Brito Architects (Summers 2022-2024)

In this internship I was able to sharpen my skills in project production and understanding how a firm is ran with many moving elements.

### • Hope Church of Orlando/Engage Church Tallahassee (12 years/3 years)

I currently serve at 2 churches when in either in Orlando or Tallahassee. In both communities

I serve in production specializing in stage lighting but also able to work audio systems and visual technology.

### • Longhorn Steakhouse - Food Server (5 years)

At Longhorn I communicate with many people during shifts and have managed many different situations.

## ABOUT

I am an early-career design professional with extensive hands-on experience. My passion for creating, designing, and modeling has only grown stronger as I advance in my career, as evidenced in my academic and professional work. I continue to seek to learn from others and grow. My goal is to cultivate a fulfilling career in architecture, engaged in impactful projects, and consistently striving for excellence in every role I undertake.

I excel in both manual and digital drawing, and my proficiency utilizing Autodesk software continues to evolve, enabling me to tackle advanced concepts with confidence on a daily basis.

## EDUCATION

**Florida Agricultural & Mechanical University**  
Master of Architecture | Expected Graduation Spring 2026  
B.S. Architectural Studies | 2014 – 2018  
• Study Abroad: Spain | Summer 2017

**University of Cincinnati**  
Graduate Studies in Architecture | 2019 – 2021

## ACHIEVEMENTS

Dean's List | 2014 – 2018, Spring 2024  
Graduate Feeder Scholar | 2018  
NOMA Prescott Reavis HBCU PDP Grantee | 2024

## AFFILIATIONS

**Alpha Rho Chi Professional Fraternity**  
President | 2024 – current  
Vice President | 2016 – 2017  
Professional Development Chair | 2015 – 2016  
Mentor to Undergraduate Architecture Students

American Institute of Architecture Students - FAMU

**Big Bend Habitat for Humanity**  
Construction Team Lead & Volunteer | 2014 – 2018

Dean's Student Advisory Board | Fall 2015 – Spring 2017

**National Organization of Minority Architecture Students**  
President | 2019 – 2021

**Phi Beta Sigma Fraternity, Inc.**  
Advisor | 2020 – 2024  
Parliamentarian | 2017 – 2018  
Royal Court Advisor | 2016 – 2018  
Social Action Director | 2016 – 2018

## SOFTWARE SKILLS

## DESIGN EXPERIENCE

**3PSCD: Public Private Partnership... LLC** | Tallahassee, FL  
Architectural Consultant | August 2024 – Present

- Managed the comprehensive redevelopment of The Villages at S. Duval, a 30,000 sq. ft. adaptive reuse project focused on community revitalization and affordable housing.
- Directed the schematic design phase and coordinated with stakeholders to align project goals with sustainable design principles, affordable housing, and community development initiatives.

**New Republic Architecture** | Cincinnati, OH

Architectural Associate | December 2020 – July 2021

- Conducted integral rehabilitation of multiple 19th-century historic buildings.
- Co-led the design of residential projects with minimal supervision.

**B. Robinson Corporations** | Jacksonville, FL

Architectural Designer | May 2018 – June 2019

- Designed electrical grids, roads, masonry, and civil engineering projects.
- Facilitated cross-functional collaboration, leading to innovative design solutions.
- Authored an in-house onboarding document to streamline team processes.

**TTV Architects, Inc.** | Jacksonville, FL

Architectural Associate | August 2018 – January 2019

- Contributed to schematic designs for the Electrophysiology Lab and Recovery Suites at the James A. Haley Medical Center.
- Assisted in schematic and design development for the Pensacola U.S. Courthouse renovation.

**Olopade Solomon Architect, Inc.** | Jacksonville, FL

Architectural Intern | March 2018 – August 2018

- Supported various architectural projects through design and documentation.

**Baptist Health (Architecture & Facilities Dept.)** | Jacksonville, FL

Architectural Intern | May 2015 – October 2015

- Assisted in schematic designs for the J. Wayne and Delores Barr Weaver Tower at Baptist Medical Center.
- Contributed to the schematic design phase of the Baptist MD Anderson Cancer Center.

## ADDITIONAL EXPERIENCE

**Hughes STEM High School** | Cincinnati, OH

Educator | August 2022 – June 2024

- Developed and implemented unique lesson plans, significantly improving student performance.
- Fostered improved communication with students and parents, increasing awareness of student progress.

# JUSTYN GRANT

[https://issuu.com/justyndgrant/docs/jgrantportfolio\\_postundergrad\\_compressed\\_](https://issuu.com/justyndgrant/docs/jgrantportfolio_postundergrad_compressed_)

## Professional Summary

---

Astute Architectural Designer, highly skilled in conceptual design, graphic presentations, and Revit modeling. A talented individual offering dynamic skills and perspectives with a passion for working on meaningful and sustainable projects.

## Education

---

### Master of Architecture

Expected in 05/2025

**Florida Agricultural And Mechanical University** - Tallahassee, FL

- Japan Study Abroad
- Thesis: The Olympic Games and their Implications for Marginalized Communities

**Bachelor of Science:** Architectural Studies

05/2023

**Florida Agricultural & Mechanical University** - Tallahassee, FL

- Dean's List 2019-2023
- Magna Cum Laude

## Work History

---

### Rhino Computer Applications Teacher's Assistance

09/2024 to Current

**FAMU School of Architecture Engineering Tech** – Tallahassee, FL

- Developed and delivered instructional materials, including hands-on exercises and real-world project applications, enhancing student learning and engagement.
- Assisted in teaching Rhino CAD to architecture students, focusing on 3D modeling, parametric design, and rendering techniques.
- Conducted interactive workshops and lab sessions, facilitating hands-on learning experiences that helped students apply theoretical knowledge to practical projects.

### Architectural Design Intern

06/2024 to 08/2024

**Perkins Eastman** – Pittsburgh, PA

- Developed and refined design concepts for the adaptive reuse of a university museum into a historic art preservation space, utilizing Revit for detailed design documentation and Enscape for high-quality visualizations.
- Collaborated in OAC meetings to assess existing conditions and inform design strategies for a prominent banking sector project, contributing to cohesive team-driven outcomes.
- Produced comprehensive construction documents, including RCPS, sections, floor plans, and demolition plans, demonstrating advanced proficiency in Revit and attention to detail.

### Architectural Design Intern

08/2023 to 11/2023

**Perkins Eastman** – Pittsburgh, PA

- Utilized Revit and BluBeam to prepare marketing plans for client presentation purposes in Assisted Living project.
- Collaborated with a small team on Senior Living project, updating Reflected Ceiling and Demolition Floor plans.
- Revit modeling for office fit-out and addition to Senior living project using construction drawings and other documents.

## Skills

---

- Revit
- Rhino
- Lumion
- Model Making
- Public Speaking
- AutoCAD
- Enscape
- Adobe Suites
- Team Collaboration
- Customer Service

## Activities and Memberships

---

- FAMU Stack Mentorship Program (2024-2025)
- American Institute of Architecture Students (AIAS): (2020-2024)
- National Organization of Minority Architects Students (NOMAS): Secretary (2020-2024)
- Alpha Rho Chi Professional Fraternity Incorporated (APX): Service Committee Chair (2022-2023)

### OBJECTIVE

As a dedicated and aspiring architecture student, I am eager to embark on my professional architectural career. Armed with a solid academic foundation and a passion for innovative design, I am seeking an opportunity to contribute my creative skills, technical knowledge, and cultural sensitivity to a dynamic architectural team. Committed to learning and growth, I aim to leverage my education and enthusiasm to make meaningful contributions in the field of architecture.

### RELEVANT EXPERIENCE

#### DESIGN INTERN

DAVID MORRISON ASSOCIATES | SUMMER 2024 (SXM)

- Assisting in concept development, design iteration, and team collaboration.
- Understanding how to prepare detailed drawings that guide the construction of a building, including floor plans, elevations, and sections.
- Prepared documents used in client meetings.

### VOLUNTEERNIG EXPERIENCE

#### Saint Martin Cultural Center, Saint Martin

VOLUNTEER | May 2016 - September 2017

- Composed, revised and proofread organisation materials.
- Reorganizing and improving accessibility and overall organization.

#### PROPERTY MAINTENANCE

VOLUNTEER |

- Collaborated with family in real estate property,
- actively participatintion tasks and small maintenance projects.
- Adeptly handling a range of tools and equipment

## Summary

---

As a graduating Master of Architecture scholar from Florida A&M University's School of Architecture and Mechanical Engineering Technology (SAET), I am eager to enhance my architectural skills and knowledge. I thrive in collaborative environments and continually seek to expand my expertise in graphic design software and creative modeling techniques.

## Work Experience

---

### Fall 2023 / Summer 2024: **Bohlin Cywinski Jackson Design Intern - Pittsburgh, PA**

- Actively participated in site visits, OAC meetings, and aided with the management of construction documents, ensuring seamless project coordination.
- Played a key role in multiple projects by assisting in graphic design, organizing designs, and planning strategies. Acquired proficiency in innovative software such as Bluebeam Revu and applied 3D printing technology.

### Summer 2023: **Carnegie Mellon University UDream Scholar - Pittsburgh, PA**

- Engaged with local youth through STEM developmental programs such as NOMA's Project Pipeline and Assemble, fostering architectural awareness and encouraging creative problem-solving.
- Collaborated with community leaders and professionals to develop outreach initiatives promoting diversity in design and architecture.

### 2022 – 2023: **Office of Undergraduate Research at FAMU - Tallahassee, FL**

- Research and design analysis
- Fabricated digital media regarding The Meridian Dome
- Project Assembly and Community Outreach

### 2022 – 2023: **Brown's Contracting - Mobile, AL**

- Roof installation/demolition, drywall and ceiling reparation

### 2020 – 2021: **Amazon Distribution Center - Mobile, AL**

- Loading shipments on tractor trailers and taking shipments off trucks upon arrival

## Skill Highlights

---

- Thorough research and investigation abilities
- Excellent communication skills
- Proficient drafting and crafting skills
- Embraces teamwork
- Ability to express imaginative and ultramodern ideas clearly
- **Affinity, Revit, Rhino, Illustrator, Photoshop, Enscape, Bluebeam Revu and Lumion**

## Education

---

**B.S. Architectural Studies:** Florida A&M University graduate as of May 2023

**M.S. Architecture:** Florida A&M University expected to graduate May 2025

## Extracurricular Activities

---

**Men's Track and Field:** Student-Athlete at Florida Agricultural and Mechanical University

**NOMAS:** National Organization of Minority Architects Member

**HOK Diversity Scholarship:** 2023 Diversity x Design Scholarship Recipient

**Carnegie Mellon University:** 2023 UDream Scholar

# MADISYN HUNTER

## ARCHITECTURE STUDENT

### CAREER OBJECTIVE

Detail-oriented and innovative architecture student with strong leadership skills, a passion for creative design, and a commitment to excellence. Seeking to contribute expertise in architectural design, digital fabrication, and project coordination to a forward-thinking architecture firm.

### PORTFOLIO

[Madisyn Hunter Portfolio 2025](#)

### PROFESSIONAL EXPERIENCE

March 2021-Present | FAMU Office of Property Records, Tallahassee, FL

#### OFFICE ADMINISTRATIVE ASSISTANT

- Trained staff on office procedures and software applications, improving efficiency.
- Managed equipment maintenance and repair schedules to ensure productivity.
- Produced, proofread, and edited documents and presentations.
- Maintained strict data protection standards for sensitive files.
- Acted as a primary contact for operational and administrative inquiries.

June 2024-August 2024 | Walt Disney Imagineering, Orlando, FL

#### ARCHITECTURE INTERN

- Assisted in developing architectural designs for themed environments and attractions.
- Collaborated with architects, engineers, and designers on conceptual sketches, 3D models, and detailed drawings.
- Conducted site analysis and research to support design decisions.
- Utilized AutoCAD, Rhino, and Adobe Creative Suite for visual presentations.
- Supported project management tasks, including scheduling and budget tracking.
- Applied sustainable design principles and construction techniques.

May 2023–November 2023 | National Trust for Historic Preservation, Remote

#### DIGITAL DOCUMENTATION FELLOW

- Conducted community engagement initiatives as part of the African American Cultural Heritage Action Fund.
- Utilized GIS and survey applications to document historic structures.
- Facilitated workshops on digital documentation for students and professionals.
- Organized a design competition to promote innovative architectural solutions.

June 2023–August 2023 | The American Institute of Architects, Remote

#### AIA'S HQ RENEWAL INTERNSHIP

- Gained hands-on experience in post-design construction processes.
- Participated in on-site visits and firm tours for real-world exposure.
- Applied theoretical knowledge to practical construction industry scenarios.

March 2021–April 2021 | FAMU + UM Digital Fabrication Collaboration, Tallahassee, FL

#### ARCHITECTURE INTERN

- Explored advanced digital fabrication techniques.
- Operated CNC routers with precision and expertise.
- Reviewed and analyzed architectural drawings for quality enhancement.
- Created 3D architectural representations for visualization and presentation.

## OTHER

Kagoshima University (KU) - Florida Agricultural and Mechanical University (FAMU) joint Community Design Project on Koshikijima, 2024

## EXPERIENCE

### Revit Operator

**SRJ Architects Inc.** - Tallahassee, FL *May 2024 - Aug 2024*

- Worked on various plans (existing/demonish and new construction);
- Worked on door and other element details.
- Sheet layout and organization;
- Worked on various elements in the door schedule.
- Created 3D models and rendered views for multiple projects;
- Edited and added elements to 3D models.

### Design Intern

**Skidmore, Owings & Merrill LLP** - D.C. *Jun 2023 - Aug 2023*

- Prepared a design presentation for final submission to the National Capital Planning Commission, and formatted to government standards (alternative text).
- Worked on coordination drawings for site lighting, security, and utility conflicts.
- Worked on various site security detail drawings, elevations of site elements, and various plans for the drawing set.
- Edited and added elements to the 3D model;
- Created 3D digital models to be documented and detailed in the drawing set.

### Design Intern

**Gordon Castle Architects, LLC** - Remote *May 2022 - Jul 2022*

- Created 3D models and renderings.
  - Applied ADA building code to drawings.
  - Researched and created a residential building program.
  - Gathered field measurements of an existing building for as-builts.
- 

## EDUCATION

### Masters of Architecture

**Florida Agricultural and Mechanical University** *Aug 2023 - Present*

Expected Graduation: Spring 2025

GPA: 4.0

### Bachelor of Science in Architectural Studies

**Florida Agricultural and Mechanical University** *Aug 2021 - May 2023*

Summa Cum Laude | GPA: 4.0

### Associate in Arts

**Northwest Florida State College** *Jan 2019 - Aug 2021*

Summa Cum Laude | GPA: 4.0

# SERENA MARSH

## MASTER OF ARCHITECTURE CANDIDATE

 (850) 295-2191

 serenamatteramarsh@gmail.com

 <https://www.linkedin.com/in/serena-marsh-5903062b3/>

 [https://issuu.com/serenammarsh/docs/2025\\_portfolio](https://issuu.com/serenammarsh/docs/2025_portfolio)

### EDUCATION

**MASTER OF ARCHITECTURE**  
(May 2025)  
Florida A&M University

**BS OF ARCHITECTURAL STUDIES**  
May 2023 | Magna Cum Laude  
Florida A&M University

### EXPERIENCE

**TEACHING ASSISTANT | FLORIDA A&M UNIVERSITY SAET**  
Tallahassee, Florida  
September 2024-April 2025

Teaching undergraduate students software programs such as Revit and Rhino, as well as hand-made model making.

**WINTER SHADOWSHIP | SKIDMORE, OWINGS, & MERRILL (SOM)**  
New York City, New York  
January 2025

Shadowed architects on various phases of active projects that focus on sustainability and the future of architecture.

**SUMMER INTERN | DILLER, SCOFIDIO, & RENFRO (DS+R)**  
New York City, New York  
June 2025-August 2025

Worked alongside architects on the conceptual stage of a new project where I was tasked with creating site models, site analysis, concept models, diagrams, and presentations.

**MEDICAL RESERVIST | UNITED STATES AIR FORCE**  
MacDill, Air Force Base  
August 2018-August 2025

Enlisted as a medical optometry technician where I learned and practiced integrity, professionalism, collaboration, teamwork, and resilience.

### SKILLS

Revit  
Rhino  
Adobe Suite

Enscape  
Lumion  
Twin Motion

Model Making  
Graphic Design  
Microsoft

Presentations  
Organizing  
Communication

### ACCOLADES

**KOHN PEDERSON FOX AWARD**  
Master's of Architecture Design Studio  
Spring 2024

# Malikhai McGraw

## 1st Year Masters of Architecture Student

### PROFILE

Well rounded visionary who always seeks the best in any situation. Creative designer doing things involving paintings, posters, and architectural floor plan layouts. Architecture student seeking to establish a career in an organization where I can continue to create and learn from others to ultimately come together and meet corporate goals.

### SKILLS

- Revit
- Microsoft 365
- Adobe Creative Cloud
- Sketching
- Painting
- FormIt
- Rhino
- Open-Minded
- Problem Solving

### HOBBIES

### CONTACT INFORMATION

 561-670-7032

 malikhai42@gmail.com

 Palm Beach, Florida

 [McGraw Portfolio](#)

### EDUCATION

Master's of Science, Architecture **Florida A&M University** **May 2026 Tallahassee, FL**

Bachelor of Science, Architecture **Florida A&M University** **May 2024 Tallahassee, FL**

#### Honors:

Magna Cum Laude

2023 Recipient of the Palm Beach Chapter of AIA William Mignona Memorial Scholarship

#### Membership:

Spring '23 initiate of Alpha Rho Chi Professional Fraternity Inc.  
Social Committee Chair (2023-2024)  
Parliamentarian (2024-2025)

American Institute of Architecture Students (AIAS)

National Organization of Minority Architecture Students (NOMAS)

IB Program / Graduate **Suncoast Community High School** **May 2020 Riviera Beach, FL**

#### Membership:

Varsity Athlete (Football, Track, Wrestling)  
Art Society

### EXPERIENCE

**Florida A&M University, Tallahassee, FL** **May 2024- Present**  
Dean's Assistant

Help create plans and new ideas for change within the FAMU School of Architecture and Engineering Technology. Staying up to date with technology and ways to grow popularity for the school. Immediate connection between students and faculty to make sure our voice is heard. Also create documents to help with organization and sending out mass emails.

**Michaels LLC, Tallahassee, FL** **November 2022 - Present**  
Sales Associate

Developed skills and knowledge of materials to help better career. Learning of products improves adaptability to certain changes in situations. Allow for new levels of creativity to be unlocked since everyone there is creative and gives feedback to one another. Achieved employee of the month in only 2 months which shows hard work and dedication.

**Target Corporation, West Palm Beach, FL** **May 2022 - August 2022**  
Guest Advocate/ Customer Service

Continuation in customer service. Worked with customers on the daily in satisfying their needs at the help desk. Learned different character traits as interactions were very diverse. Became more articulate hence always interacting with people and allowed for versatility. Dealt with different situations requiring quick decisions. (Summer Job)

## **EDUCATION**

### **Florida A & M University**

School of Architecture and Engineering Technology

Bachelor of Science: Construction Engineering Technology

**Skills:** Proficient in AutoCAD, Public Speaking, Surveying, Management

**Certification:** OSHA 30.

Tallahassee, FL

Anticipated Graduation: Spring 2025

GPA: 3.4

## **WORK EXPERIENCE**

### **Balfour Beatty Construction**

*Project Engineer Intern*

Plantation, FL

May 2023 - August 2024

- Organized Pre-Construction documents via Pro- Core
- MEP Quality Control and Weekly Open-Space.
- Wrote Exhibit B Scope of Work for Window Washing system

### **FedEx Home Delivery**

*Delivery Driver*

Tallahassee, FL

January 2020 – August 2022

- Orchestrated a daily route to ensure deliveries and pickups were executed
- Operated 3-ton machinery while following company and state safety guidelines
- Operated through all weather conditions

## **VOLUNTEERING**

### **Big Bend Habitat for Humanity**

Tallahassee, FL

April 2017

- Assisted in building new homes from conception to completion for low Income families.
- Construction design of multiple plan layouts.
- Engage with clientele to explain design ideas and plans clearly.

## **GROUPS**

### **The Associated General Contractors of America (AGC)**

2024-Present

- Active Member

### **National Association of Home Builders**

2023-Present

- Active Member

### **National Society of Black Engineers (NSBE)**

2023-Present

Miss Purple & Gold 2022 - 2023

## EXPERIENCE

**Jan - May | 2024** **ROBOTICS & LASER SCANNING RESEARCH ASSISTANT**  
**Jan - May | 2025** Florida A&M University | Tallahassee, Florida

- Leveraged the UR10E Robot with Rhino and Grasshopper to design and develop custom tools for weaving, clay molding, and architectural assembly, pushing the boundaries of robotic fabrication.
- Modeled existing buildings for historic preservation using FARGO Scene 3D application and Revit, creating detailed, accurate digital representations for restoration and documentation purposes.

**May | 2024** **DAG ARCHITECTS**  
**Aug | 2024** Design Intern | Tallahassee, Florida

- Contributed to commercial and residential projects, assisting in schematic design, site analysis, and client presentations to support project development.
- Led design efforts on a residential renovation project, focusing on porch and exterior upgrades, zoning compliance, material specifications, and occupancy graphics.
- Assisted in the schematic design for Downtown Tallahassee's Capitol infrastructure relocation, utilizing Autodesk Forma and Climate Consultant-generated analysis to support environmental design strategies and project presentations.
- Observed active construction sites to gain firsthand experience in real-world project execution.
- Modeled existing structures based on construction drawings, ensuring accurate representation and design integration.

**Aug | 2023** **ROTHSCHILD DOYNO COLLABORATIVE**  
**Nov | 2023** Design Intern | Pittsburgh, PA

- Collaborated with the team in client meetings, Stakeholder Engagement Days, and site visits, documenting progress and aligning stakeholders with project goals.
- Produced architectural drawings in Concepts, Bluebeam, and Revit, including floor plans, elevations, wall sections, and ADA-compliant layouts for construction documents.
- Developed Enscape-rendered flythroughs, delivering immersive visualizations to effectively convey design concepts in client presentations.
- Supported the Schematic Design Phase for Gwen's Girls and the Latino Community Center, assisting in spatial planning and design refinement.
- Assessed site conditions ensuring accurate and comprehensive site documentation for design development.

## COMMUNITY ENGAGEMENT

**Aug | 2023** **NOMA PGH PROJECT PIPELINE**  
Architecture Design Camp | Pittsburgh, PA

- Mentored and guided underrepresented youth in exploring architecture and design through hands-on workshops and collaborative projects.
- Facilitated design-thinking exercises that encouraged creativity, spatial awareness, and problem-solving skills.

**July | 2023** **HILL CDC FELLOW**  
**Aug | 2023** Udram Program | Carnegie Mellon University

- Conducted strategic planning and zoning analysis using ArcGIS and CAD Software.
- Compiled Research data by conducting Community Outreach surveys.
- Collaborated with a team to contribute to their Master plan focused on revitalizing the Hill District.

## EDUCATION

---

**Florida A&M University, Architecture** - *Cumulative GPA: 3.50*

Tallahassee, Florida

Bachelor of Science, Architectural Studies

May 2023

**Scholarships:** Saginaw Community Foundation in 2019 & 2020

**Relevant Coursework:** Architectural History, Architectural Theory, Calculus, Design Studio, Environmental Systems, Materials & Methods, Principles of Management, and Structural Systems.

## EXPERIENCE

---

**National Trust for Historical Preservation: 2023 Digital documentation Fellowship**

Online

*Intern*

July 2023 – November 2023

- Conducted research on Tallahassee, Florida's New Hope Cemetery, and community.
- Organized conversations with historians and members of the community.
- Attended the 2023 NOMA conference.
- Presented a research paper to a board of fellows.

**SmithGroup**

Pittsburgh, Pa

*Intern*

September 2023 – December 2023

- Renovated the University of Yale's Harkness Medical Center.
- Drafted digital models, renderings, and presentations using Revit, SketchUp, Bluebeam, and Power Point.
- Traveled to Yale for a presentation and site visit with the medical students and administration.
- Took minutes for meetings.
- Attended learning events and workshops hosted by SmithGroup.

**AECOM**

Detroit, MI

*Intern*

July 2022 – December 2022

- Renovating 1940s community center in Southwest Detroit.
- Attended meetings with AECOM leadership.
- Organized presentation to address our design to the community and PAL Representatives.
- Drafting with Revit and Renderings with Enscape and Photoshop.

**Regeneration LLC**

Saginaw, MI

*Intern*

July 2021 – November 2021

- Researched renewable energy in Saginaw, Michigan.
- Managed communication with government officials, and organized events and meetings.
- Advertised projects and events.

## LEADERSHIP & PROFESSIONAL DEVELOPMENT

---

**Saginaw Fair Grounds Restoration Committee**

Saginaw, Michigan

*Architectural Advisor*

June 2021 – Present

- Allocated a \$10 million budget for restoration.
- Oversaw design proposal for the Saginaw Fairgrounds. A 52-acre historical horse racing stadium and fairgrounds site.
- Communicated with stakeholders.

**Michigan Club**

Tallahassee, Florida

*Mr. Michigan*

September 2019 – April 2020

- Attended the 2019 FAMU Royal Ball as a representative of the Michigan Club.
- Organizing and planning for Michigan club events.

## SKILLS

---

**Technical Skills:** Proficient in Drafting Software (Revit, SketchUp, FormIt, Rhino, & Escape), Adobe Products (Illustrator, Photoshop, & InDesign), Microsoft applications, BlueBeam, and Intermediate in (3D Scanning, 3D Printing).

# Cornelius Pace

Tallahassee, Florida | (850)345-4572 | [Cornelius20.pace@gmail.com](mailto:Cornelius20.pace@gmail.com) | [Portfolio link](#)

## Objective

Master's student in Architecture seeking full-time role to apply diverse design experience and technical skills.

## Education

### FLORIDA A&M UNIVERSITY

Master of science in Architecture | May 2026

Bachelor of Science in Architectural Studies | Spring 2023 |

## Experience

### ARCHITECTURAL DESIGNER NEIGHBORHOOD ALLIES, PITTSBURG OFFICE

#### DECEMBER 23 – AUGUST 24

As an Architectural Designer at Neighborhood Allies, I have successfully led the design and execution of significant projects, including a church remodel and a restaurant extension. My role involved collaborating with clients, creating innovative design solutions, and ensuring project completion within budget and on schedule. With a strong eye for detail and a passion for sustainable design, I am committed to enhancing community spaces and delivering high-quality architectural work.

### INTERN | LGA PARTNERS, PITTSBURG OFFICE |

#### AUGUST/2023 - NOVEMBER/2023

During my internship at LGA-Partners, I gained practical knowledge from site visits and honed technical skills with Revit and AutoCAD. I worked across various design departments, including education, workplace, retail, aviation, and housing, contributing to a holistic understanding of the field and emerging technologies like laser scanning and photogrammetry. My team and I won 1st Place in the 2023 AIA Pittsburgh Young Architects Studio competition for our innovative design solutions.

## Skills & Abilities

## Education

Fall 2022 – Graduating Spring 2025

### **MASTERS OF ARCHITECTURE**

Florida A&M University

- Tau Sigma Delta Honor Society
- AIAS Member

June 2021 – July 2022

### **CAD FOUNDATIONS PROGRAM**

Tallahassee Community College

Relevant coursework:

- Intro to CAD
- Advanced CAD
- Engineering Graphics

Graduated in 2013

### **BFA IN STUDIO ART**

Florida State University

Minor in Art History

Relevant coursework:

- Sculpture I & II
- Advanced Workshops in Sculpture
- Islamic Art and Architecture and Later Medieval Art and Architecture
- Directed Independent Studies
- BFA Thesis project
- Design chosen in juried public art installation competition, awarded grant for project completion (2012)

Graduated in 2009

### **ASSOCIATE OF ARTS DEGREE**

Tallahassee Community College

- Awarded TCC Art Scholarship - 2008

## Skills

- Proficient in:  
Adobe (Illustrator, InDesign)  
AutoCAD, Revit, Microsoft Suite  
Working knowledge in:  
Adobe Photoshop, Rhino
- American Sign Language:  
proficient; involved in community-based classes and activities (2017 – present)

## Experience

May 2024 – August 2024

EMI Architects | Tallahassee, FL

### **ARCHITECTURAL INTERN**

Assisted with pre-design, research, production and analysis of construction documents, support for multiple projects in varied degrees of completion  
Programs used: AutoCAD Revit, Adobe Suite, Microsoft Suite

Fall 2023 – Current

Florida A&M University | Tallahassee, FL

### **SAET FABRICATION LAB**

Complete student and faculty fabrication jobs, troubleshooting issues and light maintenance

Equipment : Plotters Laser cutter, 3D Printer

August 2013 – August 2022

Black Dog Cafe | Tallahassee, FL

### **MANAGER**

Responsible for staff oversight and training; equipment maintenance and repair; marketing and creative problem solving; scheduling and inventory; close collaboration with owner regarding policy, operations and implementation

June 2007 – August 2013

Black Dog Cafe | Tallahassee FL

### **LEAD BARISTA**

Responsible for daily operations, staff training, construction of displays and signage; served as certified ServSafe Food Manager; created and oversaw cleaning, training and maintenance schedules

## Volunteer

### **Missions Construction Team Member**

March 2018 – present

Generations Church, Tallahassee FL

- Continuing participation in mission construction projects both regional and international

### **Construction Volunteer**

Began 2018 : Recurring

Habitat for Humanity, Tallahassee, FL

- Participation in multiple local construction projects

## SKILLS

---

### Computer Aided Design Software

- Revit
- Archicad
- Rhino
- Grasshopper
- AutoCAD
- 2020 Design

### Visualization Software

- Lumion
- Enscape
- Twinmotion
- Dall•E
- MidJourney

### Graphic Design Software

- Adobe Illustrator
- Adobe InDesign
- Adobe Photoshop

### Other

- 3D Printing
- Laser Scanning
- Photogrammetry

## EXPERIENCE

---

### Design Intern, MLD Architects

*JUN. 2023 – NOW*

- Produced conceptual renderings for project design and presentation.
- Supporting senior architects and designers with tasks such as producing detailed drawings, writing specifications, and coordinating project details.

- Work closely with team to communicate project needs.

- Delivered drawing deadlines on time and worked well with others.

-Attending site visits to document existing conditions, monitor construction progress, and gather information for ongoing projects.

### Drafter (SST), Linn's Prestige Kitchen's

*FEB. 2019 – NOV. 2022*

- Used CAD to draft floor plans for kitchens, baths, and more.

- Gained exposure to cabinetry as well as designing with different materiality.

- Able to read architectural blueprints and produce drawings based on them.

- Produced crown and molding detailed call outs for installer application.

## EDUCATION

---

*EXPECTED  
MAY 2025*

## PORTFOLIO

## EDUCATION

### BACHELOR OF SCIENCE IN ARCHITECTURAL STUDIES

May 2023

*Florida Agricultural and Mechanical University, Tallahassee, FL*

### MASTER OF ARCHITECTURE

Anticipated May 2025

*Florida Agricultural and Mechanical University, Tallahassee, FL*

## PROFESSIONAL EXPERIENCE

### ARCHITECTURE INTERN

May 2022 – August 2022

*BFrankStudio, Tampa, FL*

- Managed multiple project stages while providing consistent progress updates.
- Developed site context plans using Photoshop for in-depth site analysis for a major project interview.
- Conducted field reports and accurately transcribed meeting minutes.
- Collaborated on diagrams and designs that addressed client concerns and facilitated productive feedback during workshops
- Researched pre-design phase projects and created concise presentations to outline project scope and user engagement.

### ROBOTICS RESEARCH ASSISTANT

January 2024 – May 2024

*Florida A&M University, Tallahassee, FL*

- Understand how to utilize the UR10E robot using Rhino and Grasshopper to design and print tools that facilitate the execution of innovative tasks such as weaving, clay molding, and architectural assembly.
- Collaborated with Frank NIMS Middle School to introduce students to robotic functions and operations.

### AIA HQ RENEWAL INTERN

June 18, 2024 – August 8, 2024

*AIA, Washington DC*

- Participated in a 10-week AIA HQ Renewal internship, following the project phases from preconstruction to closeout.
- Reviewed construction contracts, focusing on key legal and operational aspects.
- Learned about onboarding trades and stakeholders, ensuring smooth communication and integration.
- Reviewed agency documentation, including CIL and submittals, ensuring regulatory compliance.
- Performed punch list evaluations exercises, facilitating project closeout and final inspections

## OBJECTIVE

A dedicated full-time graduate student with strong critical thinking, problem-solving skills, and attention to detail. Seeking an opportunity to apply my abilities in ensuring the well being of clients and team members through comprehensive solutions.

## LEADERSHIP AND DEVELOPMENT

### FAMU AIAS SECRETARY

August 2022 - April 2023

### FAMU STACKED MENTORSHIP PROGRAM LEAD MENTOR

August 28, 2024 - Current

## SKILLS

**ADOBE PHOTOSHOP**  
PROFICIENT

**ADOBE ILLUSTRATOR**  
PROFICIENT

**ADOBE INDESIGN**  
PROFICIENT

**ADOBE LIGHTROOM**  
PROFICIENT

**AUTODESK REVIT**  
PROFICIENT

**LUMION**  
PROFICIENT

**ENSCAPE**  
PROFICIENT

**MICROSOFT EXCEL**  
PROFICIENT

**MICROSOFT POWERPOINT**  
PROFICIENT

**RHINO**  
BEGINNER

**AUTOCAD**  
BEGINNER

**SKETCHUP**  
BEGINNER

## INTERESTS

**GRAPHIC DESIGN**

**STORYTELLING**

**HEALTH AND EXERCISE**

**AVIATION**

**MANGA AND ANIME**

# KHAMARIA TURNER

## PROFILE INFO

Excellence drives my approach to every challenge, fueled by curiosity, creativity, and dedication. As a Master of Architecture student, I am passionate about designing spaces that seamlessly integrate with their surroundings. By combining my love for art with a commitment to community service, I strive to create meaningful, impactful designs that foster connection and address real-world challenges

## EDUCATION

### Florida A&M University

Masters of Architecture

**Expected Graduation - Spring 2026**

### Florida A&M University

Bachelors of Science in Architecture

**May 2024**

## SKILLS

- Revit
- Rhino
- Grasshopper
- Adobe Suites
- Procreate
- Enscape

## CONTACT INFO

### Phone

786-870-3038

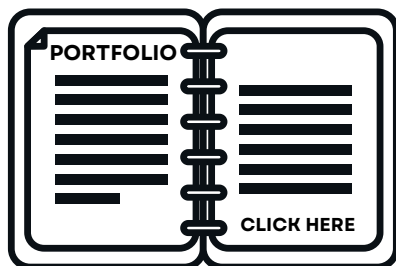

### Email

khamariaturner@gmail.com

### Location

Florida, US

## EXPERIENCE

### FAMU Research & Education Program

#### Digital Heritage ad VR Graduate Research Assistant

**Present**

- Utilize Vuforia and Unity to create an interactive VR experience with AR elements and user interactions for an immersive digital environment
- Assist in designing a historic site preservation exhibit with interactive media and 3D visuals to engage users

### National Trust for Historic Preservation

#### H.O.P.E. Crew Fellow

**Summer 2024**

- Engaged in a program in Southern Arizona that explores African American vernacular architecture and the history of the Buffalo Soldiers
- Documented and laser-scanned historic structures; engaged in historic preservation construction techniques
- Led presentation of final project and contributed to a group submission for the Holland Prize competition.

### FAMU Research & Education Program

#### Robotics Research Assistant

**Spring 2024**

- Utilized Rhino and Grasshopper to create weaving scripts to be used for a UR10E Robot
- Utilized Rhino to create and advance tools to assist the UR10E Robot in weaving
- Engaged with students to introduce and explore emerging technologies in the design field

### Northrop Grumman Research and Education Program

#### Research Assistant

**Fall 2023**

- Utilized Python scripting to read and write Rhino Script Syntax
- Increased computer programming literacy in Architecture and exposed students to a currently under-utilized digital drawing tool

## INVOLVEMENT

**Alpha Rho Chi Professional Fraternity Inc.**

**2021-present**

**American Institute of Architecture Students**

**2021-present**

**Southern Scholarship Foundation**

**2021-present**

**Sigma Gamma Rho Sorority Inc.**

**2023-present**

**National Organization of Minority Architects Students** **2023-present**

# Akil Webster

## 2nd Master of Architecture Student

---

### ABOUT ME

Nationality: Jamaican  
DOB: October 31, 2000

### CONTACT

Email: [akil1.webster@famu.edu](mailto:akil1.webster@famu.edu)  
Phone: 561-215-6626

### SKILLS

Photography  
Graphic Design  
Music Production  
Drawing: Traditional, Digital  
Watercolor

### SOFTWARES

Adobe Photoshop  
Adobe Illustrator  
Adobe InDesign  
Adobe Light Room  
Adobe Premiere Pro  
AutoCAD  
Blender  
Fruity Loops  
Enscape  
Grasshopper  
Lumion  
Microsoft Excel  
Microsoft Power Point  
Microsoft Word  
Revit  
Rhino 3D

### EDUCATION

**High School:** Suncoast Community High School  
**University:** Florida Agriculture & Mechanical University  
**Bachelor of Science in Architectural Studies** (August 2019 - May 2023)  
**Master of Architecture** (August 2023 - May 2025)

### WORK/TITLES

#### **FAMU Office of Property Records** (February 2021 - Present)

Tagging, relocation and disposition of University property, along with the inventory of assets in excess of \$5,000 or more.

#### **FAMU+UM Digital Fabrication Mentorship** (March 2021 - April 2021)

Fabricating prototypical studies that utilize various CNC routing techniques to make 1:1 scale plywood/mdf joints. During this process, students learn about workflows, machine possibilities and limitations, toolpathing, programming, tolerances, production logics, and safety measures.

#### **FAMU SAET Photographer** (September 2022 - Present)

Recording events and aiding in the management of the School of Architecture & Engineering Technology's social media accounts.

#### **FAMU Marching 100 Graphics/Media Chair** (June 2022 - 2024)

Creating graphics for major events and performances.

#### **Diller Scofidio + Renfro** (May 2023 - August 2023)

Photographing and creating physical models, Diagramming in Photoshop  
Documenting and modeling in Revit, Conceptual designing in Rhino  
Site modeling in Rhino

#### **Kohn Pedersen Fox Associates** (Jun 2024 - August 2024)

Scripting using Grasshopper  
Assist design team in design process by performing sketching and CAD drawings, model

## GOAL

Currently pursuing a master's degree in architecture, I am passionate about specializing in educational and mixed-use architecture and am open to exploring other disciplines as well. I aim to leverage my academic background and design skills to develop innovative, functional spaces that enhance learning environments and community interactions. My goal is to contribute to projects that merge sustainability, versatility, and user-focused design principles.

## EDUCATION

- **Florida Agricultural & Mechanical University, Tallahassee, Florida**
  - Masters of Architecture. **Aug 2024 - Present**
  - Bachelor of Science in Architectural Studies. **Aug 2020 - May 2024**

## EXPERIENCE

- **Teaching Assistant - Florida A&M University, Tallahassee, FL** **Aug 2023 - Present**
  - Assisting professors with weekly class sessions.
  - Leading engaging class activities and grading assignments.
  - Tracking students' GPA / progress in other classes throughout the semester.
- **Intern - Skidmore Owings & Merrill, New York, NY (SOM)** **June - Aug 2023**
  - Exterior material research in higher education facilities.
  - The Big Build: Design and build a skyscraper.
  - Collaborated with Interiors to develop floorplans for a previous SOM structure.
  - Created 3-D Visuals of office layouts in Rhino.
- **Winter Shadowship - Skidmore Owings & Merrill, New York, NY (SOM)** **Jan 2023**
  - Immersed in various architectural disciplines within the firm.
  - Shadowed architects on several projects.
- **Math Tutor - Florida A&M University, Tallahassee, Florida** **Aug 2021 - May 2023**
  - Helped developed students' understanding of mathematical material.
  - Math subjects tutored: Liberal Arts 1, College Algebra & Pre-Calculus.
- **Intern - Brisbane O'Garro, Alvaranga (BOA), St. Kitts W.I.** **July - Aug 2019**
  - Consolidated free-hand design deliverables.

## ACCOMPLISHMENTS

- FAMU Dean's list: Aug 2020 - May 2024
- Teaching Assistant of the year - 2022-2023
- FAMU SAET 2nd year Design Award - April 2022
- Ranked 9th in St. Kitts & Nevis: Technical Drawing CSEC

## ORGANIZATIONS

- Alpha Rho Chi Professional Fraternity Incorporated
- Tau Sigma Delta Honor Society
- Alpha Lamda Delta Honor Society
- American Institutes of Architect Students
- Caribbean Student Association - FAMU
- Women In Architecture - FAMU

## SKILLS

- Problem Solving
- Track and Field
- Physical Models
- Jewelry Making

## SOFTWARE

- Revit
- Rhino
- AutoCAD
- Bluebeam
- Adobe Suite
- Microsoft Office
