

Jonathan Cason

Tallahassee, Florida | Jacksonville, Florida | (912) 373-4290 | jonathan1.cason@famuedu

EDUCATION:

Florida Agricultural & Mechanical University, Tallahassee, FL

Expected Graduation: May 2027

Bachelor of Science, Construction Engineering Technology

- **Relevant Coursework:** Construction Management, Construction Documents

SKILLS:

Leadership, Team Collaboration, Communication, Time management and efficiency, Attention to detail

WORK EXPERIENCE

Walmart, Jacksonville, FL

December 2022 – Current

Online Pickup and Delivery Associate

- Provided excellent customer service by loading groceries and other orders directly into customer vehicles quickly and friendly, ensuring their convenience.
- Efficiently located and selected grocery items from various store sections to meet the specifications of online customer orders, ensuring accuracy and quality.
- Organized and staged orders in designated areas, ensuring customer purchases were accurately sorted and labeled for easy pickup or delivery.

Seminole Hospitality, Tallahassee, FL

Fall 2022 – Current

- Monitored premium spaces to ensure cleanliness, comfort, and safety, collaborating with maintenance and security teams as needed.
- Proactively engaged with guests to enhance their overall gameday experience, responding quickly to issues or concerns to ensure a seamless visit.

CLUB AND ORGANIZATION AFFILIATIONS:

Big Brother Little Brother Mentoring Program, Tallahassee, FL

March 2024 – Present

General Body Member

- Attend community service.
- Attend general body meetings.
- Carry out organizational duties.

Young Life FAMU Tallahassee, FL

Fall 2022 – Present

I-Strike Liaison

- Register organization events through the I-Strike website.
 - Scout on-campus events members may want to attend.
 - Executive Board duties.
-

Wally Charles

(904) 704-328 | Wally1.charles@famu.edu

EDUCATION

Florida A&M University School of Architecture & Engineering Technology,
Tallahassee, FL | Bachelor of Construction Engineering Technology

May 2026

Skills: AutoCAD (May 2025), Adobe illustrator (2024)

The Dwight David Eisenhower Transportation Fellowship Program

Research, Land-Use Patterns, and Equitable Transportation: A Focused Study Plan

WORK EXPERIENCE & CREDENTIALS

Duval County Courthouse, Judicial Intern Jacksonville, FL

May. 2023-Present

- Alongside Judge Peoples-Waters, review all motions
- Investigating the applicable laws in order to comply with them
- Assisting the judge with the decision-making process by drafting memoranda

OSHA-30 Construction Certification

- Proper use and selection of personal protective equipment (PPE).
- Understanding worker rights and company responsibility for safety and health.
- Identifying and mitigating typical workplace dangers.

Gilbane Building Company

- Learn about various project management approaches (e.g., Agile, Waterfall) and their real-world applications for different project types.
- Develop the capacity to detect, analyze, and prioritize potential project risks, as well as create effective mitigation plans to reduce their impact.
- Learn about quality management approaches and how to apply them across the project lifecycle to meet or exceed expectations constantly.

LEADERSHIP ACTIVITIES

2023-Present, National Association of Home Builders (NAHB)

- Developing and executing public relations and media strategies for group events
- Tackled the responsibility of delegating tasks in weekly meetings.
- Organized the proposal and PowerPoint presentation.

2019-Present, 5000 Role Models of Excellence Jacksonville, FL

- Active participant in the 5000 Role Models program, dedicated to mentoring young men of color for personal growth and academic achievement.
- After-school teacher to preschool, teaching reading and writing

2021-2023, Marching 100 Tallahassee FL (Marching 100 Member, French Horn)

- Member of Marching 100, showcasing musical talent and teamwork in performances and events

CERTIFICATION:

Procore Certification: Administration, Superintendent, Estimator, Project manager

SUMMARY

Driven construction engineering technology student seeking real-world experience to elevate my technical skills and transform classroom knowledge into practical expertise. Eager to contribute meaningfully to challenging projects and learn from industry professionals.

EDUCATION

Florida A&M University, Expected May 2026 Tallahassee, FL
Bachelor of Science in Construction Engineering Technology

TECHNICAL SKILLS AND SOFTWARE PROFICIENCIES

Revit • AutoCAD • BlueBeam • Navisworks • Adobe Creative Suite • Photoshop • Microsoft Office • Excel • InEight • Procore
• Google Workspace • C++ (in progress)

PROJECT EXPERIENCE

Summer 2023 **Kiewit Corporation: BlueSky Project** Taylor, TX
Field Engineer Intern

Contributed to the electrical infrastructure of the BlueSky Project as a Field Engineer Intern, ensuring quality and efficiency.

- Generated accurate and efficient takeoffs for materials and equipment, reducing procurement errors.
- Collaborated effectively with the electrical team and other departments to optimize workflows.
- Oversaw quality assurance for electrical installations, upholding stringent project standards.

WORK EXPERIENCE

August 2023 - Present **National Association of Home Builders** Tallahassee, FL
Vice President of Student Chapter

Led chapter operations, overseeing and facilitating meetings while spearheading the organization of the 2023 IBS convention trip for members.

- Chaired club meetings in the President's absence, maintaining order and facilitating productive discussions on club initiatives.
- Forged strong relationships with school faculty and administrators, securing valuable resources and support for club activities.

August 2020 – May 2021 **DEC Construction** Orlando, FL
General Laborer

A part-time job at DEC Construction as a general laborer, ensuring project quality and safety.

- Operated various power tools, such as drills and saws, safely while following the manufacturer's instructions.
- Maintained detailed construction logs and communication with the project manager and engineers to facilitate smooth workflow.
- Analyzed project plans and blueprints to identify discrepancies and ensure on-site construction met specifications.

ACTIVITIES & AWARDS

Chevron Innovation Summit 2nd Place • Vice President of the National Association of Home Builders FAMU • Vice President of the Association of General Contractors FAMU • Stanley Black and Decker Innovation Challenge 1st place • African Student Association • NAACP • NAMC • Thurgood Marshall College Fund (TMCF) Scholarship Recipient • CMAA

TATIANA DESLOUCHES

Tallahassee Florida | Tatiana1.deslouches@famu.edu

Professional Summary

Seeking a full-time position in order to gain professional experience with working on electrical engineering and design engineering projects.

Education

Bachelor's Degree: Electronic Engineering Technology
Florida Agricultural & Mechanical University

Expected in 07/2025

Relevant Coursework

- Communication Systems
- Electronics Design
- Electronic Devices and Circuits
- Computer Aided Circuit Analysis

Skills

- C, C++, Python
- Oscilloscope
- SolidWorks
- Power Supply
- Digital Multimeters
- Mastercam

Projects

Transportation Research Board Minority Fellow

08/2024 to Current

U.S. Department of Transportation – Tallahassee, FL

- Constructed research on the preliminary analysis of construction work zone on roadways in Florida by crash severity
- Descriptive statistics used to analyze fatalities and injuries made on motorists and construction workers
- Examined crash factors and variables such as crash type, weather, enforcement presence, etc.
- Key findings emphasize the need for increased law enforcement, better signage on roadways, and increased warnings.

Electrical and Computer Engineering Mentorship REU

06/2024 to 08/2024

FAMU-FSU College of Engineering – Tallahassee, FL

- Solidworks used to implement computer-aided design (CAD) for 3D printing
- Printed CAD samples using the MakerBot Method X
- Conducted materials testing on 3D printed material (DMA, hardness, tension testing)
- Polylactic acid (PLA) and Acrylonitrile Butadiene Styrene (ABS)

LED Night-Light Soldering Design Project

01/2024 to 05/2024

Tallahassee, USA

- Physically constructed a night-light which uses a photocell to turn the LED on and off
- Performed troubleshooting and testing on the circuit to reveal a faulty photocell
- Successfully operated the night-light after testing revealed flaws in the circuit
- Soldering used to connect electrical components such as resistors, capacitor, and transistor to the circuit board (PCB)

Team Lead

01/2022 to 12/2022

Intelligence Community Centers for Academic Excellence (IC CAE) – Tallahassee, USA

- Managed a team using engineering concepts to develop a hypothetical solution to a national security crisis
- Public speaking skills improved through numerous presentations made to the public
- Leadership skills demonstrated through the role of allocating specific tasks to peers

Engineering Student Research Project Manager

06/2022 to 08/2022

Educating Engineering Students Innovatively (EESI) – Online

- Led a team to effectively create a solution redesigning the FAMU Engineering Learning Community attracting and graduating more quality engineers
- Took the lead in dividing roles and tasks among students to research and gather data
- Spearheaded team meetings discussing research and developed pie charts, PowerPoint presentations, and Excel sheets
- Improved organizational and problem-solving skills and has taught me to incorporate teamwork into everyday difficult tasks
- Innovatively developed solutions to problems using the engineering design process

Volunteer Programs

- President, Institute of Electrical and Electronics Engineers (IEEE), Present
- Participant, Universal Creative Toronto Metropolitan Thrill Design Competition, 2024
- Member, Educating Engineering Students Innovatively (EESI) Dr. Caldwell, 2021-2022
- Participant, Apple Women In Science and Engineering Mentorship (AWSEM), 2021
- Member, Florida A&M Engineering Living Learning Community (LLC) Dr. Caldwell, 2020-2021

EDUCATION

Florida A & M University

School of Architecture and Engineering Technology

Bachelor of Science: Construction Engineering Technology

Skills: Proficient in {Time management, AutoCAD, Revit, Team cooperation}

Tallahassee, FL

Anticipated Graduation: {spring, 2028}

GPA:3.0/4.0

WORK EXPERIENCE

MOSS Construction

Project engineer/manager intern

- Manage team files.
- Keep office clean
- Inspect the jobsite before pours
- Preparation for meetings
- Creating RFI's
- Creating Submittals

Ft Lauderdale, FL

June 2024 - August 2024

VOLUNTEERING

FLHS WRESTLING TEAM MANAGER

- Organized and led social page for promotion of team.
- .
- Recorded and took photos for film study
- Fixed and repaired things around the training room to make things safer.
- Performed general maintenance and repair.

Fort Lauderdale, FL

October 2022-April 2023

Kids in Distress

- Help manage the children/File Documents.

Ft Lauderdale, FL

September 2022

Mentoring tomorrow's leaders (MTL)

- Servicing the community.

Ft Lauderdale, FL

August 2022- May 2024

Mt Zion AME Church of Oakland Park

- Servicing the community.

- 6) Leadership
- 7) Adaptability

WORK EXPERIENCE

Walmart

Cap 2 and Digital Associate

- Unloading Trucks
- Customer Service.
- Loading pallets
- Dispensing orders

St. Petersburg, FL

July 2020 -Present (Feb 2025)

JD Sports

Apparel Associate and Shoe Salesman

- Responsible for solving technical issues
- Responsible for dressing mannequin
- Interact daily with the customers to interpret their needs.

Tallahassee, FL

October 2022 – February 2023

Pinellas County School

High School Tutor

- Providing students help with class homework
- Responsible for students’ success
- Provide assistance and advice to high school students

St. Petersburg, FL

September 2022 - October 2022

Encor Solar Panels

Door to Door Salesman

- Provide customers with a new way to get electricity
- Calculate customers previous utility bill and estimate a new utility bill with solar panels

St. Petersburg, FL

January 2023 – April 2023

VOLUNTEERING

Rotary

- Assisted in building new ramps from conception to completion for low Income families.
- Engage with clientele to explain design ideas and plans clearly.

EDUCATION

Florida A & M University

Bachelor of Science

Major: Construction Engineering Technology

Tallahassee, FL

Anticipated Graduation: spring 2025

GPA: 3.3/4.0

Santa Fe College

Associate of Arts

Major: Construction Management

Gainesville, FL

Graduated: Spring 2022

SKILLS

Technical

- **Software:** Proficient in AutoCAD, Revit, Creo, and Estimating
- **Microsoft Office:** Proficient in Word, Excel, and Projects.

Certifications

- 30-hour Construction Safety and Health (OSHA)
- Nuke Gauge certification
- Procure

PROFESSIONAL EXPERIENCE

KCI

Project Information: State Road 52/ I-75

Inspector Assistant Intern

Tampa, FL

May 2024 - August 2024

- Developed and maintained payment tracking spreadsheets in Excel for new contracts.
- Updated site plans and drawings using Bluebeam to incorporate the latest revisions.
- Monitored and documented completed pay items for subcontractors on site.

Saft

Intern

Valdosta, GA

June 2023 - August 2023

- Processed engineering change requests (ECRs) for blueprints using CREO.
- Modified parts and assemblies to align with ECR specifications

VOLUNTEERING

Habitat For Humanity

Tallahassee, FL

March 2023

- Assisted in setting up scaffolding and erecting wood framing for residential housing projects.
- Organized construction materials to protect against environmental damage.
- Manually set up roof trusses

ORGANIZATIONS

- Association of General Contractors (AGC) August 2023 - Present
 - Executive Board Treasurer

Graduation: Spring 27

WORK EXPERIENCE

King of Green Landscape Company, Family - Owned Business, Fort Lauderdale, FL,

April 2017 - Present

- Managed task schedules and performed team problem solving.
- Operated maintenance equipment and conducted grounds upkeep for commercial and residential properties.
- Directed sales, oversaw equipment maintenance, and executed landscaping projects including planting and fertilizing.

Assistant Manager - Escapology, Fort Lauderdale, FL

August 2020 - May 2023

- Managed employee scheduling and payroll, enhancing operational efficiency.
- Led troubleshooting and software resets, ensuring seamless operation of booking and inventory systems.
- Collaborated with the design team to create immersive theme rooms, leveraging technology for optimal guest experience.
- Utilized data entry for analytics and performance reporting, improving decision-making processes.
- Responsible for managing inventory, and managing excel sheets for my store financial reports.

Recreation Specialist – The City of Fort Lauderdale

May 2023 - December 2023

- Delivered customer service and performed data entry, maintaining accurate records.
- Organized invoices and managed office clerical duties.

Facility Worker 2 - City of Fort Lauderdale

January 2024 - August 2024

- Operated street sweeping equipment and performed facility maintenance.
- Managed work orders and conducted landscaping and custodial tasks for municipal properties.
- Executed minor repairs and responded to emergency calls, ensuring facility safety and upkeep.

LEADERSHIP & DEVELOPMENT

TSA- Transfer Student Ambassador

NAHB- National Association of Home Builders

SKILLS & TRAINING

RELEVANT COURSEWORK

Soil Mechanics & Foundations with Lab, Strength Materials with Lab, Construction Equipment & Operations, Construction Safety & OSHA Certification, Engineering Graphics I, Engineering Graphics II, Materials & Methods I, Material & Methods II, Principal Engineering Economy, Construction Accounting, Electrical Systems in Construction, Construction Planning & Scheduling, Construction Surveying, Estimating, Reinforce Concrete

RESEARCH/ PROJECTS

FAMU Research Forum, Building Resilience in Hurricanes

- Studied the effectiveness of varied materials and stability of infrastructure in coastal areas.

Tallahassee, FL

April 2023

WORK EXPERIENCE

Andersen Windows Corporation

Procurement - Intern

- I restored and compiled data and initiated an A3 analysis to explore ways to optimize plant space for better material storage. This involved auditing line-side drops in production and tracking material flow. Understanding waste accumulation helped us assess its impact on inventory needs. Using this data, we could adjust inventory levels based on actual material usage in the plant.

St. Paul, MN

May 2023 – August 2023

Andersen Windows Corporation

Transportation Analyst - Intern

- At Andersen, I helped develop strategic partnerships and contributed to project success. I pitched ideas for contract requirements to strengthen collaborations with other companies. I also identified backhaul opportunities to optimize truck usage, managing the planning and scheduling involved.

Remote, MN

May 2022 – August 2022

VOLUNTEERING

Building Habitat for Humanity

- Helped build new homes for low-income families from conception to completion.

St. Paul, MN

EXPERIENCE

Costco Wholesale

November 2024– January 2025

Seasonal

Tallahassee, FL

Morning Merchandising (Centers)

- Stocking merchandise for sale in the warehouse, ensuring product availability and display accuracy.
- Maintaining clean and clear aisles, promoting a safe and efficient shopping environment.
- Assisting members with product inquiries and requests, providing exceptional customer service.
- Operating tools such as pallet jacks and balers to efficiently move and handle merchandise.

Dick's Sporting Goods

March 2024– Present

Footwear Associate

Tallahassee, FL

- Stocking and organizing footwear products in the stockroom and on the sales floor, ensuring product availability and upkeep.
- Conducting regular product audits to maintain inventory accuracy and prevent stock discrepancies.
- Assisting customers on the sales floor, providing product recommendations and ensuring a positive shopping experience.
- Processing online orders, including "Ship from Store" and "Buy Online, Pick Up In Store" (BOPIS) transactions, ensuring timely and accurate fulfillment.

LeaseQuery

August 2021-May 2022

Student Intern of Accounting

Atlanta, GA

- Participating in in-depth competitive analysis, comparing competing products based on features, user experience, unique selling points, and pricing strategies.
- Collaborating closely with the department leads in order to deliver engaging software demonstrations of LeaseQuery both remotely and in-person.
- Creating compelling content for external publications and transcribed key insights from internal conferences to support communication and knowledge sharing

Colliers International

September 2019-May 2021

Student Intern of Property Management

Atlanta, GA

- Conducting comprehensive data searches on property availability, ownership, zoning, restrictions, tenant details, and transaction histories using both internal and external resources.
 - Managing and executing database updates, ensuring accuracy of property, company, and contact information.
 - Streamlining communication and coordination across departments, including organizing charts, schedules, and information flow to improve operational efficiency.
-
