Dear Dean Chin:

At its October 24-25, 2025, meeting, the Board of Directors of the National Architectural Accrediting Board (NAAB) reviewed the following documents for the Master of Architecture degree (Undergraduate architecture degree + 55 graduate credit hours; undergraduate non-architecture degree + 90 graduate credit hours) program at Florida Agricultural and Mechanical University:

- Special Report

Based on the review of the Special Report, the NAAB directors voted to accept the Special Report as demonstrating that the program has satisfactorily addressed the area(s) of noncompliance identified in the 2024 Annual Report.

Please feel free to contact us with any questions at accreditation@naab.org.

Sincerely,

Jeffrey L. Day, FAIA, NCARB
President
