

ASHLEY SADDLER

ARCHITECTURE & PROJECT MANAGEMENT RESUME

904.729.5364

ashley1.saddler@fam.u.edu

Jacksonville, FL

EDUCATION

Master of Architecture Aug '25 - Present
Florida A&M University (FAMU) | Tallahassee, FL

- Urban Design | Program Theory and Practice | New Technology and Enclosures | Thesis

Bachelor of Science in Architecture | Minor of Military Science Aug '20 - Dec '24
Design Analysis and Philosophy | Facility Management | Digital Architecture Graphics

Study Abroad | Language Acquisition Program Jul '24 - May '25
VNU, University of Languages and International Studies | Hanoi, VN

- Tiếng việt: Over 110 hours/week of language interaction, including 50 hours of structured classroom instruction, 4 projects, monthly exams, and preparation for final OPI and DLPT test.

University of Wisconsin - Madison | Madison, WI Jun '24 - Aug '24
Tiếng việt: 70+ hours/week of Vietnamese language engagement over a 9-week semester.

MILITARY EXPERIENCE

2nd Lieutenant Jun '21 - Present
Army National Guard | Quincy, FL

- Platoon Leader: Leading a team of 46 soldiers in training and admin tasks to ensure readiness and group success. Responsible for building training programs and mentoring soldiers.
- ROTC Training Officer: Issued weekly tasks, led meetings, and managed long-range calendars

EXPERIENCE

Graduate Assistantship | Work Study Jun '25 - Present
Florida A&M University (FAMU) | Tallahassee, FL

Intern Jun '23 - Aug '23
Haskell | Jacksonville, FL

- Executed design iterations and landscape concepts for Project Vista, a \$115M Dassault Falcon Jet expansion at MLB Airport projected to create 400+ aerospace jobs.
- Collaborated on exterior architectural finishes and detailed Revit design work for the Grifols healthcare facility, producing finish boards, modeled elements, and document specifications.

Design Proposal Architect Feb '23 - Dec '23
Renovation Proposal of Howard Hall | Tallahassee, FL

- Analyzed a 1950s structure to document existing conditions and developed a future state BIM model to guide architectural planning and MEP system upgrades.
- Partnered with Army ROTC leadership and FAMU SAET to develop a renovation proposal for Howard Hall, producing BIM models that secured a \$13.6M funding award for the facility.

Intern Jun '19 - Jul '19
Haskell | Jacksonville, FL

TECHNICAL SKILLS

Adobe Creative Cloud | Revit | SketchUp | Rhino | Lumion | Enscape | GIS | Python | Visual Media | Graphic Design | 3D Printing | Laser Cutting | CNC File Creation | Multi-Lingual: English, Vietnamese, Spanish

EXTRACURRICULAR ACTIVITIES

- Wrestling Team | FAMU | Captain
- SAET Dean's Counsel | FAMU
- Real Estate Club | FAMU
- Ranger Challenge | FAMU | Co-Captain
- Marching 100 Band | FAMU
- National Society of Pershing Rifles C-16
- 5000 Role Models of Excellence | Duval
- Alpha Rho Chi Professional Fraternity

VOLUNTEER EXPERIENCE

- Pop, Sock n Roll | FAMU
- FAMU Athletic Hall of Fame
- FAMU Food Pantry | Tallahassee
- Habitats For Humanity | Florida
- Nims Middle School Volunteer | FAMU
- Leon County Food distribution | Florida

Awards & Recognitions

- Seal of Biliteracy | 2020
- Nexus Scholarship | 2020
- Dean's List | 2020-2025
- Amazon Case Study Awardee | 2022
- NCWA National Qualifier | 2022
- ROTC Leadership Excellence | 2023
- All Academic American | 2022-2023
- George C. Marshall Award | 2024
- Boren Awards | 2024
- Summa Cum Laude | 2024
- Distinguished Military Graduate | 2025
- Adobe Student Ambassador | 2025

PORTFOLIO

SUMMARY

Passionate about the intersection of architecture, construction, and project management. I'm a motivated, detail-oriented architecture student at Florida A&M University. Skilled in Revit, Rhino, and Adobe Creative Suite. I translate design concepts into precise drawings and visual presentations, while maintaining a solid understanding of construction methods and coordination. Experienced in team collaboration, organization, and communication across academic and professional settings.

EXPERIENCE

Dillard Architect Group-Intern

San Antonio, TX | Summer 2025

- Collaborated on site surveys and gathered relevant data for projects.
- Created CAD drawings to support design presentations.
- Supported client communication through drafting emails and meeting notes.
- Helped prepare presentation materials for client meetings and project pitches.
- Identified needs of customers promptly and efficiently.

Savannah Infill House — Residential Design Exploration

Florida A&M University | Fall 2024

- Designed an infill residence emphasizing biophilic principles and sustainable urban living.
- Integrated natural materials, energy-efficient solutions, and open-plan layouts for optimal light and ventilation.
- Produced drawings and renderings using Rhino, Revit, and Adobe Suite to communicate design intent.

African American Vertical Museum — Cultural Design Exploration

Florida A&M University | Spring 2024

- Developed a cultural hub celebrating African American art and design through vertical spatial organization.
- Applied conceptual and technical design processes to foster reflection, community, and cultural engagement.

ANAYA BRITT

EDUCATION

Florida A&M University (FAMU)

B.S. Architectural Studies 2022-2025

Master of Architecture (M. Arch.) 2027

Maintained 3.9 GPA

2025 ALW Student Scholarship Award Recipient

Spring 2025

Awarded for the "Vertical Museum" project, recognized for strong concept development, clarity in design storytelling, and balance of form, light, and movement. Selected as the top fourth-year studio project for excellence in execution and presentation.

RELEVANT EXPERIENCE

HOK – Architectural Student Intern

Summer 2025 – Tampa, FL

Worked with the Science and Technology team on higher education and healthcare projects. Contributed during schematic design for a higher education project in SD by preparing drawing sets, cartoon sets, and diagrams, and participating in team meetings to review scope and project direction. Assisted with healthcare projects during the CD phase by supporting drawing production and scheduling-related tasks. Collaborated with team members in Revit and provided task updates throughout the design process.

FAMU – Architecture Drawing Methods Learning Assistant

Fall 2025

FAMU – Physics Learning Assistant

Fall 2024 – Spring 2025

The Hub at FAMU – Student Food Service Team Member

Spring 2024

Architecture, Construction and Engineering (ACE) Mentor Program

December 2021 – May 2022

Team-based program introducing high school students to careers in architecture, construction, and engineering through a guided design project.

North Carolina State University Digital Design Camp

July – August 2021

Pre-college program focused on studio design fundamentals, portfolio development, and digital tools in a virtual environment.

CONTACT:

📞 (407) 398-4678

✉️ Anthonyfree2020@gmail.com

📍 Orlando, FL

🌐 LinkedIn: [in/antfree26](https://www.linkedin.com/in/antfree26)

I am a second-year Master of Architecture student at Florida A&M University, originally from Orlando, Florida. I am driven by my early passions for architecture and have cultivated my skill set through academics, professional connections, and hands-on experience, continually building knowledge and delivering high-quality work. I enjoy collaborating with others and applying critical thinking to achieve shared goals through innovative ideas. My ultimate goal is to attain licensure and explore multiple aspects of the field to contribute to what I believe the future of architecture needs—design that bridges communities and ideas. My interests include mass timber construction, high-density urban projects, mixed-use, and transit architecture, all with a focus on closing gaps and strengthening communities.

EDUCATION

- **Florida A & M University (2020-Present)**
 - Obtaining M. Arch Degree Spring 2026
 - B.S. in Architecture Spring 2024
- **Dr. Phillips High School/Orange Technical College**
 - Class of 2020, Dual enrolled in Drafting program from 2018-2020

WORK EXPERIENCE

- **Rhodes+Brito Architects (Summers 2022-2024)**

In this internship I was able to sharpen my skills in project production especially in detail modeling as well as understanding how a medium sized architectural office operates and performs when obtaining new projects, working on repeat projects and clients and collaborating with other firms/consultants
- **FAMU SAET Fabrication Lab Assistant and Teaching Assistant (Spring 2025 - Spring 2026)**

Facilitation of plotting, 3d printing and laser cutting for students and faculty at FAMU. As a Teaching Assistant I help guide students towards success and help faculty with needs to carry out classes and research.
- **Hope Church of Orlando/Engage Church Tallahassee (14 years/3 years)**

I currently serve at 2 churches when in either in Orlando or Tallahassee. In both communities I serve in production specializing in stage lighting but also able to work audio systems and visual technology.
- **Longhorn Steakhouse - Food Server (6 years)**

At Longhorn I communicate with many people during shifts and effectively carry out many events and situations.

SOFTWARE SKILLS

PROFESSIONAL EXPERIENCE

DLR Group | Washington, D.C.
NOMA Future Faces Fellow | May 2025 – August 2025

- Actively participated in the schematic design phase, offering valuable support to the architects.
- Created a range of renderings tailored for presentation purposes.
- Collaborated with the production of presentation packages.

3PSCD: Public Private Partnership... LLC | Tallahassee, FL
Architectural Designer Consultant | August 2024 – Present

- Managed the comprehensive redevelopment of The Villages at S. Duval, a 30,000 sq. ft. adaptive reuse project focused on community revitalization and affordable housing.
- Directed the schematic design phase and coordinated with stakeholders to align project goals with sustainable design principles, affordable housing, and community development initiatives.

New Republic Architecture | Cincinnati, OH
Architectural Associate | December 2020 – July 2021

- Conducted integral rehabilitation of multiple 19th-century buildings.
- Co-led the design of residential projects with minimal supervision.

B. Robinson Corporations | Jacksonville, FL
Architectural Designer | May 2018 – June 2019

- Authored an onboarding document to streamline processes.
- Designed electrical grids, roads, masonry, and engineering projects.
- Facilitated cross-functional collaboration, leading to innovative design solutions.

TTV Architects, Inc. | Jacksonville, FL
Architectural Associate | August 2018 – January 2019

- Assisted in schematic and design development for the Pensacola U.S. Courthouse renovation.
- Contributed to schematic designs for the Electrophysiology Lab and Recovery Suites at the James A. Haley Medical Center.

Olopade Solomon Architect, Inc. | Jacksonville, FL
Architectural Intern | March 2018 – August 2018

- Supported architectural projects through design documentation.

Baptist Health (Architecture & Fac. Dept.) | Jacksonville, FL
Architectural Intern | May 2015 – October 2015

- Assisted in schematic designs for the J. Wayne and Delores Barr Weaver Tower at Baptist Medical Center.

ADDITIONAL EXPERIENCE

Hughes STEM High School | Cincinnati, OH
Educator | August 2022 – June 2024

- Developed and implemented unique lesson plans, significantly improving student performance.

OBJECTIVE:

Seeking an architectural internship within the U.S. construction industry where I can fully immerse myself in professional practice, learn through hands-on experience, and quickly adapt to U.S. building standards, workflows, and project delivery methods. As a fifth-year architecture student with a Franco-American academic background, I am highly motivated, exceptionally fast at learning new tools and systems, and comfortable adapting to new environments, teams, and expectations. My experience combines self-funded international research across 10 countries, a strong interest in vernacular and sustainable design strategies, and solid technical skills in BIM (Revit), parametric modeling (Rhino/Grasshopper), and construction detailing. I also actively explore emerging AI-driven design tools to improve efficiency and design workflows. I aim to contribute my global perspective, strong work ethic, and technical adaptability while rapidly growing as a young professional within a collaborative and practice-oriented firm.

About

Design-driven architectural graduate passionate about creating purposeful, impactful spaces grounded in functionality and context. Thrives in collaborative design environments where aesthetics, efficiency, and sustainability intersect. Drawn to architecture's ability to strengthen communities and create meaningful, lasting connections.

Organizations

Vice President - Women In Architecture

Florida A&M University, 2023 - 2025

Lead and coordinate events, workshops, and initiatives to promote women's leadership and participation in the architecture field. Foster a supportive community for female architecture students, encouraging professional development and networking opportunities.

Participating Member - FAMU Volunteer Efforts (FAVES)

Florida A&M University, 2022 - Present

Experience

Asistant Project Coordinator - SMS Development

New Orleans, LA , May 2022 - August 2022

Supported construction projects through job site walks, progress monitoring, and safety oversight. Collaborated with multidisciplinary teams and used channel management software to improve coordination and workflow efficiency.

Eco - Friendly Pedestrian Bridge - Studio Work

Florida A&M University, August 2023 - October 2023

Designed an eco-friendly pedestrian bridge connecting two campus areas across a pond, prioritizing efficiency, aesthetics, and minimal environmental impact. Utilized sustainably sourced imber and integrated seating to foster community interaction while harmonizing with the natural environment. Developed construction drawings and 3D models to communicate design intent and structural logic.

Profile Summary

Driven by a genuine curiosity for how buildings come together and how details shape experience. I enjoy working through design challenges, especially learning how to overcome challenges in a tangible fashion. I am a quick learner who thrives when given the opportunity to grow. While I am continuing to strengthen my technical skills in Revit, Rhino, and Adobe Suite, I bring strong attention to detail, adaptability, with a willingness to learn new skills, and a hands-on mindset to every project.

Skills

Revit

Adobe Suites

Rhino

Interpersonal skills

Involvement

American Institute of
Architecture Students
