

Jonathan Cason

Jacksonville, FL
jonathan1.cason@famu.edu |

912-373-4290

EDUCATION

Florida Agricultural & Mechanical University
Bachelor of Science in Construction Engineering Technology

Tallahassee, FL
Expected Graduation: May 2027

EXPERIENCE

FAMU Program of Strategic Emphasis

Tallahassee, FL

PSE Ambassador

Sep '25 - Present

- Led targeted recruitment initiatives for underrepresented and lesser-known academic programs, increasing visibility and applicant interest.
- Developed and executed strategic engagement plans for recruitment events, including tailored messaging, interactive presentations, and program-specific materials to effectively connect with prospective students.
- Represented the institution at regional and national recruitment events, collaborating with faculty and admissions staff to promote academic offerings, answer inquiries, and build relationships with prospective students, families, and school counselors.

Seminole Hospitality

Tallahassee, FL

Guest Services Associate

Oct '22 – Nov '24

- Oversaw the upkeep and presentation of premium spaces to ensure a consistently high standard of cleanliness, safety, and guest comfort, contributing to an exceptional event-day experience.
- Elevated the gameday experience by proactively engaging with guests, addressing concerns and feedback in real-time, and supporting the execution of premium service operations to exceed client expectations

Walmart

Jacksonville, FL

OPD Associate

Dec '22 – Dec '24

- Provided exceptional customer service by efficiently loading orders into customer vehicles with speed, accuracy, and professionalism, ensuring a seamless and positive pickup experience.
- Systematically staged and labeled customer orders in designated areas to optimize workflow, ensuring timely and efficient pickup and delivery operations.

LEADERSHIP & PROFESSIONAL DEVELOPMENT

The Sankofa Kinship of Big Brother Little Brother Mentoring Program Inc.

Tallahassee, FL

Media Committee

April '25 – Present

- Assisted the organization's historian with media initiatives and outreach, contributing to the development and distribution of digital content to enhance visibility and engagement.
- Participated in organizational media productions, representing the group in promotional videos and helping to convey key messages to a broader audience.

Jewels Inc. Royal Court

Tallahassee, FL Aug

Royal Escort

'25 – Present

- Served as an escort and representative for the Jewels Royal Court Miss 2019, accompanying the titleholder to official events and engagements while upholding the organization's values and image.
- Actively collaborated with team members to plan and participate in Jewels Inc. campus events, contributing to community engagement, event execution, and organizational visibility.

FAMU Young Life

Tallahassee, FL Aug

I-strike Liaison

'24– May '25

- Managed event registration and organizational memberships through the I-Strike platform, ensuring timely submissions and compliance with institutional procedures.
- Prepared and submitted event proposals and space reservation requests, coordinating logistics to support smooth and effective event execution.

SKILLS & INTERESTS

Technical: Microsoft Office, Revit, AutoCAD

Professional: Leadership & Team Management, Effective Communication, Time Management, Conflict Resolution

Clubs: Strike and Stride Run Club, Association of General Contractors

Wally Charles

(904) 704 – 3285 • Wallycharles453@gmail.com

Education

Florida Agricultural & Mechanical University - Tallahassee, Florida

Bachelor of Science in Construction Engineering **August 2022 - May 2026**

Work Experience

KB Home - Construction Intern,

May 2025 – August 2025

7928 Cortese Dr., Titusville, Villages at Verona Phase 1 & 2 - **\$175 Million**

- Coordinated daily operations across 30+ residential lots, streamlining workflow and helping achieve 95% on time schedule adherence during the Villas at Verona project.
- Inspected 20–25 active lots per day for quality, safety, and code compliance, identifying issues early and reducing rework by 15%
- Redlined plans to reflect field conditions on 15+ homes, collaborating with design and construction teams to implement revisions that prevented schedule delays and improved build accuracy. Purchasing Department:
- Reviewed contracts, job starts, and change orders for 20+ projects, ensuring accuracy and timely distribution while coordinating with 15+ trade partners to maintain pricing and payment schedules.
- Used CMA and GMA tools to assess 20+ land deals, providing data-driven recommendations through green sheets, deal flow charts, and gap analyses.

Gilbane Building Company - Field Engineer Intern,

June 2024 – July 2024

3701 Winton Dr, Jacksonville, FL Jean Ribault High School - **\$120 Million**

- Viewed and supported vertical construction activities—including 10+ concrete pours, 5+ steel erections, and 15+ masonry installations—for two new academic buildings totaling over 100,000 sq. ft., helping maintain the master schedule.
- Conducted daily inspections on 20+ building zones alongside the field engineer, resolving safety and quality issues that resulted in zero OSHA violations and 100% code compliance during inspection periods.
- Redlined 50+ architectural and structural drawings in Procore to reflect field conditions, ensuring real-time documentation accuracy and reducing miscommunication-driven delays by 20%
- Coordinated 10+ subcontractors on MEP rough-ins, concrete, and structural sequencing, optimizing crew handoffs and maintaining 100% adherence to the 3-week lookahead schedule.
- Logged and tracked 200+ material deliveries and completed 60+ daily reports, enhancing schedule visibility and enabling accurate progress forecasting for project managers.

Jones Construction LLC – Job site shadowing,

February 2023 - Present

1310 Cross Creek Cir, Ste C2- **\$14.4 Million**

- Managed and tracked daily progress across 10+ residential projects, helping maintain 95% on-time completion by proactively monitoring schedules.
- Reviewed and redlined 30+ construction plans, communicating field revisions between office and site teams to eliminate errors and rework.

Technical Competencies

Procore, OSHA-30, Revit, AutoCAD, Trimble On-Screen Takeoff

Leadership/Extracurriculars

Iota Phi Theta Fraternity, Incorporated, Chapter President **August 2024 - Present**

- Organized and led 10+ weekly campus-wide study sessions, coordinating logistics and promotion that increased participation to 50+ students per week and strengthened academic performance within the chapter.
- Founded and directed the chapter's first pageant and royal court, overseeing recruitment of 14 court members, event planning, budgeting, and operations, establishing a new annual tradition that engaged 100+ attendees in its inaugural year.

STEPHEN E. DUVAL

West Palm Beach, FL · (561) 517-4840 · stephen1.duval@famu.edu

Objective

To Obtain an Internship with a Construction Company

EDUCATION

B.A. in Construction Engineering Technology, Florida A&M University, expected May 2028

A.A. in Construction Engineering Technology, Palm Beach State, graduated May 2025

TECHNICAL SKILLS

- OSHA 30-Hour Construction Safety – Certified
- Beginner-level AutoCAD proficiency for drafting and interpreting construction drawings
- Beginner-level surveying knowledge
- Microsoft Office Suite (Word, Excel, PowerPoint) – Certified
- Strong communication and team collaboration skills
- Self-disciplined and detail-oriented

Experience

Costco Wholesale – Tallahassee, FL

Stocker | Nov 2023 – Present

- Planned and organized daily stocking activities to meet strict warehouse deadlines.
- Coordinated with team members and supervisors to ensure efficient workflow and compliance with safety procedures.
- Prepared reports on inventory levels and requisitioned supplies to maintain stock.
- Monitored and maintained warehouse safety standards to reduce delays or accidents.

Auntie Anne's Pretzels & Jamba Juice – Palm Beach Gardens, FL

Cashier / Baker | Apr 2022 – July 2023

- Scheduled and carried out opening/closing procedures to keep both storefronts compliant with company policies.
- Directed daily food preparation activities and supervised adherence to quality control standards.
- Prepared cost estimates for supplies and tracked product usage to minimize waste.

Thaddeus Powell Jr.

Construction Engineer

EDUCATION

Bachelor of Science in Construction Engineering & Technology

Sep '20 - May '26

Florida Agricultural & Mechanical University (FAMU)

1601 S Martin Luther King Jr Blvd, Tallahassee, FL

Relevant Coursework:

- Engineering Statics, Strength of Materials, Engineering Graphics I & II (AUTO CAD, SolidWorks), Construction Estimating I & II, Thermodynamics, Calculus I, II, & III, Soil Mechanics, Elemental Surveying, Principles of Engineering Economy, Physics I & II, Computer Applications Construction Management

WORK EXPERIENCE

OPS Record Analyst (Bureau of Engineering Support)

Feb '24 - Present

Florida Department of Corrections Central Office (FMBC)

600 S. Calhoun St., Tallahassee, FL

- Led the analysis of energy-use data and drafted technical reports, employing **project management tools** to streamline compliance processes and decrease expenditures in correctional facility operations

PROJECTS

Mechanical Engineering Tools Creo Capstone

Feb '23 - Mar '23

FAMU-FSU College of Engineering

2525 Pottsdamer St, Tallahassee, FL

- Creo parametric 3D modeled a Bowell Howell battery lantern flashlight with each component of the lantern itself
- Executed precise measurements of lamp components and screws with electric and **Vernier calipers**, guaranteeing optimal assembly quality

Mechanical Engineering Tools Stirling Engine

Feb '23 - Apr '23

FAMU-FSU College of Engineering

2525 Pottsdamer St, Tallahassee, FL

- Engineered intricate 3D models of all components for a **Beta Stirling engine** using **Creo Parametric**, successfully completing the project within tight timelines
- Fabricated a Stirling engine in a machine shop, utilizing precision tools such as **metal lathes, drill bits, and hand tools** to achieve project completion within 3 weeks

PROFESSIONAL SUMMARY

Motivated Construction Engineering Technology student with a strong academic background in construction methods, materials and project demonstrations. Knowledgeable in technical problem-solving, quantity takeoffs, and basic scheduling through coursework and labs. Looking for an entry-level or internship opportunity to gain hands-on field experience while contributing a strong work ethic, attention to detail, and willingness to learn.

EDUCATION

Florida A&M University School of Architecture & Engineering Technology
Bachelor of Construction Engineering Technology
Overall GPA: 3.5

May 2027

EXPERIENCE & CREDENTIALS

Class D Security Officer; Allied Universal

Current

- Monitored Site Access and enforced safety and security procedures
- Conducted Routine Patrols and documenting incidents to ensure compliance with policies and regulations

Pro Desk Associate, Home Depot

Feb 2023-Feb 2024

- Coordinated material orders for contractors and trade professionals
- Communicated with vendors and customers to meet project deadlines and avoid project delays
- Gained hands- on familiarity with materials, tools, and construction equipment

SKILLS, COURSEWORK, & CERTIFICATION

Construction Management | Project Planning & Scheduling
OSHA 30-hour Construction Safety Certification
Revit | Microsoft Excel| AutoCad|Sketchup
Team Collaboration | Communication | Leadership

EXTRACURRICULAR ACTIVITIES

Member, National Association of Home Builders (NAHB)

- Engaged in workshops focused on leadership development, communication, and professional networking

Volunteer, FAMU SAET

- Engaged in group participation in building mobility for elders or people in need

Undergraduate Research, FAMU SAET

- Conducted undergraduate research analyzing the impacts of climate change on construction projects, with emphasis on material performance, scheduling disruptions, and long-term infrastructure resilience.

AWARDS/ HONORS

Turner Construction Scholarship

- Recipient of the Turner Construction Scholarship 2023-2026
