The SAET offers various services that give students unique industry engagement opportunities. The Fall and Spring SAET Career Fairs connect our exceptional students to permanent positions and summer internships.

Registration

The 2025 Fall event will be held on Monday, September 29, 2025, from 9:00 a.m. to 5:00 p.m. Registration is limited to the first 30 firms. Use the following weblink <https://forms.gle/ksJnQLgpSphRVMMa8>

If you have questions about registration, please get in touch with Marlon Simmons (marlon.simmons@famuedu).

Schedule

- 08:00 a.m. – 09:00 a.m. | Employer Set-Up (South Atrium)
- 09:00 a.m. – 12:00 p.m. | One-on-One Private Interviews (South Atrium)
- 12:15 p.m. – 01:15 p.m. | Lunch (North Atrium)
- 01:30 p.m. – 05:00 p.m. | Open Tables (South Atrium)

One-to-One Private Interviews

The morning session will be dedicated to One-on-One Private Interviews in the South Atrium. Each participating firm will have a designated table labeled with its name, which will be used for the morning interviews and the afternoon open table session. Electrical outlets will be available at each table for your convenience. The SAET resume book will be posted to this page two weeks before the event.

Alumni Spotlight ::

Meet Ignacio Reyes

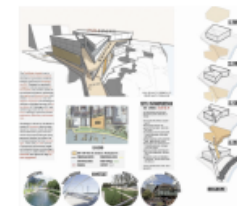

This week, we proudly feature Ignacio Reyes, a registered architect and executive team member at DLR Group, one of the largest integrated architecture and engineering design firms in the United States. Visit [@famusaet](#) to learn more about his remarkable career and accomplishments.

Funding ::

Delta Community Scholarship

Delta Community Credit Union is supporting Georgia students with \$5,000 scholarships! Eligible applicants include current undergraduates and graduating high school seniors with an HBCU acceptance letter. To apply, submit a 250-word nomination through V-103's website by October 31, 2025. [LINK](#)

Student Spotlight ::

Meet Nya Grant

FAMU Bachelor of Architecture student Nya Grant used sharp, geometric facades and shifting light to turn a museum into an immersive story. Blending bold form with function, her concept stands as both a cultural landmark and a space for deep human connection, showcasing her growth and ambition as an emerging architect.

Partners ::

Fall 2025 Career Fair

Looking for an internship or full-time opportunity in architecture, engineering, or technology? Join us for the Fall 2025 Career Fair on Monday, September 29, 2025, from 9:00 AM to 5:00 PM in the Walter L. Smith Building. This is your chance to connect with leading industry partners and take the next step in your career journey. [LINK](#)
